

ORDINANCE NO. 2018- 025 -PS

AN ORDINANCE TO PROHIBIT U-TURNS ON
LONGMEADOW DRIVE

WHEREAS, traffic safety and neighborhood safety and security are both high priorities in the City of Trussville; and

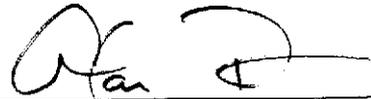

WHEREAS, with the installation of a traffic signal on Trussville Clay Road at Husky Parkway and Longmeadow Drive, some drivers are proceeding into the Longmeadow subdivision and performing a U-turn to allow them to make a right turn onto Trussville Clay Road rather than waiting at the traffic signal until a left-hand turn can be made safely; and

WHEREAS, this U-turn activity brings undesired and unnecessary traffic into the Longmeadow subdivision, and frequently creates hazardous situations for oncoming traffic when these unexpected U-turns are made into their lane.

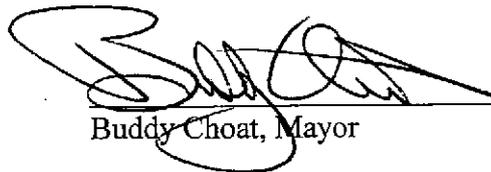

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Trussville as follows:

- A. U-turns shall be prohibited on Longmeadow Drive.
- B. Signs indicating No U-Turn shall be erected near the entrance of Longmeadow subdivision on Longmeadow Drive.

ADOPTED AND APPROVED this the 25th day of September, 2018.

Alan Taylor, Council President

Buddy Choat, Mayor

Attest:

Lynn B. Porter, City Clerk
