## **TRC POLAR MIXED DOUBLES TOURNAMENT**

Tennis Tournament is a member plus bring a friend mixer for everyone to come and have fun! We will have food and soda as well as a T-shirt for all participants.

One female and one male player will be randomly drawn from a pool for the first match. After each match, winners will progress to the winners court and switching partners for another match until tournament concludes. The losing team will do the same by progressing down a court.
