Registration: **December 9th – January 31st**
<https://trussville.org/departments/parks-recreation/youth-sports/>

Dates: **Start Week of February 24 – April 27**

Age Groups: 8U: \$130 one clinic per week
 10U: \$160 one clinic per week
 12U: \$250 two clinics per week
 14U: \$250 two clinics per week

We will have clinics for 8U, 10U, 12U, and 14U where we will open up an unlimited number of players per age group. All clinics will run for ten weeks and the price will include clinics with a teaching pro, court time and equipment. After registration ends, we will determine the days and times of each clinic based on the number of sign ups. This will also allow us to determine the number of kids per clinic. The days will be Monday, Tuesday, and Thursday from 4 pm to the latest time of 7:30. Younger groups will be held earlier. After the groups are formed, if any parent or volunteer would like to form a team, we can set up a time to create the team number as well as hold a meeting with the parents who want their kids to participate. During the meeting, the Team Manager and Wayne will go over the format for JTT as well as establish expectations and costs. JTT registration will take place after we have enough interest in forming a team.
