

Trussville Parks and Recreation Youth Volleyball League

Who: Rising 5-6th Graders

Practices: Practices start the first week of school, August 18, and will be twice a week until games start. After games start, each team will practice once a week and play once a week.

Practice Nights: Monday and Thursday (some Tuesdays)

Games: Games will be during the week on one of the normal practice nights.

Where: Most practices/games will take place at Hewitt-Trussville High School

Cost: \$130.00 (price includes a game day jersey)

About: Our goal for the Youth Volleyball Rec League is to make teams of girls that are all in the same grade. We would like to have enough girls sign up to form at least 4 teams in each grade (5th grade and 6th grade) in hopes that we can run a league where each team plays each other twice and we end the season with a small tournament. In the event we don't have enough in each grade to do this then we will combine the 5th and 6th graders to make enough teams to have a rec season and end of season tournament. Once registration is complete we will then do an evaluation night where a team of coaches will determine how to split the teams so that we have even teams throughout the league.

Registration: Please go to the link below to register your daughter for a team.
