

Come join the Annual Trussville Futsal League!

WHAT: It's a fun, fast-paced game of soccer played indoors on a hard court. Futsal is a great way to build foot skills because it is played using out-of-bounds lines instead of walls. Futsal also uses a weighted ball that doesn't bounce as much as a soccer ball so the ball stays close to the ground and feet of each player. The rules create an emphasis on improvisation, creativity and technique as well as ball control and passing in small spaces. It is also a great introduction to help build goalkeeping skills because teams consist of 4 field players and a goalkeeper. Rosters contain a maximum of 8 players with unlimited, on-the-fly substitutions.

WHEN: The season generally runs from the first weekend in December through the last weekend in January. Saturday afternoons and evenings. No Holiday games. 6 Games Minimum.
