CITY OF TRUSSVILLE MINUTES

FEBRUARY 10, 2026 AGENDA WORKSHOP

The City Council met in an **agenda workshop** on **Tuesday, January 27, 2026**, at 5:30 pm to review the proposed agenda for its next regular session. Council President Jaime Melton Anderson presided over the meeting and Dan Weinrib served as recording secretary.

Those members present were as follows: Council President Jaime Melton Anderson
Councilor Kimberly Farr
Councilor Ben Horton
Councilor Brian Jackson
Councilor Jim Miller

Others present in their official capacity: Mayor Ben Short
City Attorney Rick Stotser
City Clerk Dan Weinrib

The City Council determined the order of consideration. At President Anderson's request, the Council mutually agreed to move the only proposed ordinance to the Regular Agenda subsection, prior to discussion. After reviewing all other proposals, they mutually agreed to pull the proposed term limits resolution from the regular agenda. The councilors then went back to the proposed ordinance, which would repeal & replace the order of procedures for city council meetings. Each councilor spoke, giving her or his feedback about the adequacies & flaws in the ordinance. President Anderson cited some dated language about written proposals, among other things. Councilor Jackson & Horton suggested a spending threshold for which the council would be required to delay consideration. Councilor Miller shared that he studied the prior organizational ordinances, which Mayor Short had also done. They both enjoy history. President Anderson got the mayor & city clerk to commit to showing contrasts on future repeal-&-replace ordinance proposals. After Mayor Short shared his comments, it was abundantly clear that the entire council wanted to re-work the ordinance further. They mutually agreed to pull the proposed ordinance from the regular agenda.

With no further items to discuss, President Jackson adjourned workshop at 6:13 pm.

FEBRUARY 10, 2026 REGULAR SESSION

The City Council of the City of Trussville met in **regular session** on **Tuesday, February 10, 2026**, at 6:15 pm at the City Hall Annex, with Council President Jaime Melton Anderson presiding and Dan Weinrib serving as recording secretary.

President Anderson called the meeting to order. She led the prayer; Councilor Miller led the pledge.

Those members present were as follows: Council President Jaime Melton Anderson
Councilor Kimberly Farr
Councilor Ben Horton
Councilor Brian Jackson
Councilor Jim Miller

Others present in their official capacity: Mayor Ben Short
City Attorney Rick Stotser
City Clerk Dan Weinrib

They reviewed the minutes from the January 27 agenda workshop & regular session. Councilor Farr moved & Councilor Horton seconded the motion to approve the minutes with a noted correction.
UNANIMOUS

President Anderson then introduced the four-item consent agenda, all of which involved the Industrial Development Authority, as well as the shortened regular agenda. Designated appointees Lisa Bright & Adam Trammell were on the front row, as Councilor Horton moved & Councilor Jackson seconded the motion to approve both agendas. **UNANIMOUS** Mayor Short, President Anderson & Councilor Farr expressed their gratitude to Bright & Trammell, as well as their predecessors, David Fuller & Jerry Little.

During public comments, Wade Swope (3500 Hilltop Circle) requested alternate route indicators for drivers on South Chalkville Road to avoid the rail line intersection. He was pleased to hear Mayor Short submitted a grant application to accomplish that.

Under the regular agenda, Councilor Horton introduced a proposed proclamation honoring Trussville residents Cade Vanderpoorten, Peyton Jones & Alyssa Jones, as well as Fire Department employees Billy Jackson, Patrick Blom, Blake Benson, Chase Helbing, Daniel Perry & Colin Fach for their heroism in saving neighbor Mark Beasley from a heart attack. He recognized Fire Chief Tim Shotts, who described the lifesaving event in detail. Shotts called the three neighbors & six crew members to the front of the room. Mark Beasley & his family were also in attendance. Beasley too spoke to the entire room, expressing his gratitude. **Councilor Horton moved & the other councilors jointly seconded the motion for approval. UNANIMOUS Proclamation No. 2026-04** After a brief recess for group pictures, President Anderson resumed the meeting.

She founded the Marcus Wayne Foundation in memory of her late father who died from a pulmonary embolism. After a brief recess for group pictures, President Anderson resumed the meeting.

Councilor Horton then introduced a proposed proclamation declaring February 28 as Arbor Day in the city. It coincides with the Tree Commission's annual tree giveaway at The Mall. **He moved & Councilors Farr & Miller jointly seconded the motion for approval. UNANIMOUS Proclamation No. 2026-06**

President Anderson then opened a public hearing regarding an alcohol licensing application. Acting general manager Danny Hall & a colleague approached the podium on behalf of their employer Logans Roadhouse. He had previously managed the restaurant on Pinnacle Square for seven years and has returned on an interim basis. During question time, Hall answered that Logans has new corporate ownership, but the restaurant staffing remains unchanged. State law requires that new management apply for an alcohol license. He also confirmed to the council that Logans uses the Responsible Vendor Program provided by ABC & that they have no history of serving alcohol to minors. Since nobody in the public spoke up, President Anderson closed the public hearing.

Councilor Jackson then introduced a resolution approving the restaurant retail liquor license application for Logans Roadhouse. **He moved & Councilor Farr seconded the motion for approval. UNANIMOUS except for Miller, who abstained. Resolution No. 2026-12**

Councilor Miller seconded. Upon roll call vote, UNANIMOUS Councilor Jackson then moved & Councilor Farr seconded the motion for approval. Upon roll call vote, UNANIMOUS Resolution No. 2026-15**

During committee reports, Councilor Horton reminded the public of the Tree Commission's tree giveaway at its February 28 Arbor Day event on The Mall.

Councilor Jackson announced that the city will be switching its primary banking accounts to PNC Bank from Regions. He also summarized Planning & Zoning Commission's actions at its most recent meeting. He mentioned the development of a proposed overlay district for the historic Cahaba Project neighborhood & his own work to update the city subdivision regulations.

Councilor Miller deferred to chairwoman Jane Alexander for his Historical Board report. She informed the public that the city museum hosted 497 visitors during 2025, up from 400 during 2024 & 300 during 2023. They will organize a set of bylaws, fill a vacancy and increase its board size to nine from seven.

Councilor Farr reported that the IDA will have its next lunch gathering at Diversified Nonferrous Technologies Inc.'s location. Also, the Library director's position will remain open until March 1. Whoever gets hired will succeed the late Jason Baker. Farr also mentioned two upcoming events at the

library. Opening Day for Parks & Recreation baseball is February 28. Also, the Chamber of Commerce has new executive officers. Sandra Vernon is now its president. The Chamber is getting ready for its February 17 lunch event & April 21 golf tournament. Meanwhile, Public Works continues to do its wintertime work, including debris clean-up around the city as well as behind the old Cherokee School.

On February 26, HTHS will commemorate the 10th anniversary of the 2016 state champion baseball team. Also, Leadership Trussville will have One Community Day on February 12th.

Mayor Short thanked Public Works & Parks crews for clearing land in the Sports Complex for the future parking lot. By doing that job in-house, the city saves thousands of dollars. He also reported that a Parks grant remains pending. He also gave the public a briefing about a proposed Cahaba Project Overlay District. The City plans to survey residents & property owners of Cahaba Project properties, as well as solicit feedback from the rest of the community. He then answered Councilor Horton's question regarding the status of the new traffic light at the Carrington Drive/Gadsden Highway intersection, overseen by ALDOT.

There were no audience comments.

With no further business left to consider, President Anderson adjourned the meeting at 7:11 pm.

Respectfully submitted,

(b) **Manner of Effecting Redemption.** Any redemption or prepayment of any Series 2026 Warrants shall be effected in the following manner:

(i) **Call.** The City shall by Resolution or Ordinance call for redemption on a stated date when they are by their terms subject to redemption Series 2026 Warrants (or principal portions thereof) and shall recite in said Resolution or Ordinance (A) that the City is not in default in the payment of the principal of or the interest or premium, if any, on any of the Series 2026 Warrants to be redeemed, or (B) that all of the Series 2026 Warrants then outstanding are to be retired on the Redemption Date; provided, however, that it shall not be necessary for the City to adopt any such Resolution or Ordinance in the case of any redemption of Series 2026 Warrants if the redemption is one that is required by the provisions of any mandatory redemption requirement.

(ii) **Notice by First Class Mail.** The Bank (on behalf of the City) shall cause to be forwarded by First Class Mail to the registered Holder of each of the Series 2026 Warrants the principal of which is to be redeemed, in whole or in part, at the address of such registered Holder as such address appears on the registry books of the Bank pertaining to the registration of the Series 2026 Warrants, a notice, dated the date such notice is mailed by the Bank, stating the following: that Series 2026 Warrants (identified by the complete name and date of the Series 2026 Warrants) in certain specified principal amounts (or portions thereof) bearing stated numbers, CUSIP numbers, interest rates and maturity dates, have been called for redemption and will become due and payable at the Redemption Price or Redemption Prices on a specified Redemption Date, and that all interest thereon will cease after the Redemption Date. Such notice shall contain the telephone number of the Bank to which inquiries can be addressed and shall be so mailed not more than sixty (60) nor less than thirty (30) days prior to the Redemption Date, but Holders of any Series 2026 Warrants may waive the requirements of this subsection with respect to the Series 2026 Warrants held by them without affecting the validity of the call for redemption of any other Series 2026 Warrants.

(iii) **Payment of Redemption Price.** The City shall make available at the Bank, on or prior to the Redemption Date, in immediately available funds, the total Redemption Price of the Series 2026 Warrants (or portions thereof) that are to be prepaid and redeemed on the Redemption Date.

The City and the Bank will, to the extent deemed by them to be practicable under the circumstances and to the extent permitted by law, comply with the standards set forth in the Securities and Exchange Commission's Exchange Act Release No. 23856 dated December 3, 1986, regarding redemption notices but their failure to do so shall not invalidate the redemption of any Series 2026 Warrants with respect to which the other requirements of this Section 4 have been satisfied. Upon compliance with the foregoing requirements on its part contained in this subsection (c), and if the City is not on the Redemption Date in default in the payment of the principal of or the interest or premium, if any, on any of the Series 2026 Warrants, the Series

2026 Warrants (or principal portions thereof) called for redemption shall become due and payable at the Redemption Price on the Redemption Date specified in such notice, anything herein or in the Series 2026 Warrants to the contrary notwithstanding, and the Holders thereof shall then and there surrender them for redemption; provided, however, that in the event that less than all of the outstanding principal of any Series 2026 Warrant is to be redeemed, the registered Holder thereof shall surrender the Series 2026 Warrant that is to be redeemed in part to the Bank in exchange, without expense to the Holder, for a new Series 2026 Warrant of like tenor except in a principal amount equal to the unredeemed portion of such Series 2026 Warrant. All future interest on the Series 2026 Warrants (or principal portions thereof) so called for redemption shall cease to accrue after the Redemption Date. Out of the moneys so deposited with it, the Bank shall make provision for payment of the Series 2026 Warrants (or principal portions thereof) so called for redemption at the Redemption Price and on the Redemption Date.

Section 5. General Obligation. The indebtedness evidenced and ordered paid by the Series 2026 Warrants is and shall be a general obligation of the City for payment of the principal of and the interest and premium, if any, on which the full faith and credit of the City are hereby irrevocably pledged.

Section 6. Special Pledge of the Pledged Tax Proceeds. As additional security for the prompt payment of the principal of and the interest on the Series 2026 Warrants, there is hereby appropriated and ordered segregated and set aside, and there is hereby specially and irrevocably pledged, for payment of the principal of and the interest on the Series 2026 Warrants as the said principal and interest respectively become due, so much as may be necessary for such purpose of the Special Ad Valorem Tax and its proceeds. To such extent, if any, as the Pledged Tax Proceeds available for such purpose may not be sufficient to pay the principal of and the interest on the Series 2026 Warrants, at the respective maturities of such principal and interest, the City agrees to use for such purpose so much of its general revenues derived from other sources and available for such purpose as, when added to the Pledged Tax Proceeds available therefor, shall be sufficient to pay at their respective maturities the principal of and the interest on the Series 2026 Warrants. The City represents and warrants:

(a) that at the time of the delivery of the Series 2026 Warrants, there will be no outstanding agreement or pledge with respect to the Special Ad Valorem Tax or its proceeds, or any part thereof, other than the agreements and pledges respecting the Special Ad Valorem Tax and its proceeds herein contained and the Unrefunded Series 2015 Warrants; and

(b) that the agreements and pledges respecting the Pledged Tax Proceeds herein made shall be and remain prior and superior to any and all pledges and agreements that may hereafter be made by the City with respect to the Special Ad Valorem Tax and its proceeds.

Section 7. Maintenance of Special Ad Valorem Tax. The City agrees that, so long as any of the principal of or the interest on the Series 2026 Warrants remains unpaid, it will annually levy and collect the Special Ad Valorem Tax at the times and in the manner provided by the applicable provisions of the constitution and laws of Alabama.

Section 8. Reservation of Privilege to Issue Additional Parity Securities. The City reserves the privilege to issue at any time and from time to time additional bonds, warrants, or other securities of the City that the City may at the time of such issuance be lawfully authorized to issue, and to pledge for payment of the principal thereof and the interest thereon, on a parity of lien and pledge with the pledge of the Pledged Tax Proceeds made in this Ordinance, and pro rata and on a parity with the like pledge that may be made for the benefit of each series of the Additional Parity Securities, so much of the Pledged Tax Proceeds as may be necessary to pay the principal of and interest on the Additional Parity Securities at the respective maturities of said principal and interest; provided, that in order to make such parity pledge, the following conditions must exist and be complied with:

(a) At the time such Additional Parity Securities shall be issued, the City shall have fully complied with all provisions of this Ordinance then required to be performed including making all payments then required to be made into the Warrant Fund.

(b) The proceeds received by the City from the during the Fiscal Year next preceding the Fiscal Year during which any such Additional Parity Securities are delivered to the purchaser thereof must be not less than 1.20 times (120% of) the maximum Annual Debt Service Requirement during the then current or any then succeeding Fiscal Year with respect to all Parity Securities that will be outstanding immediately following the issuance of the Additional Parity Securities then proposed to be issued; provided, that in computing the Annual Debt Service Requirement for any Fiscal Year, for the purposes of this paragraph (c), there shall be excluded from such computation the principal of and interest on any warrants that would be considered "fully paid" under the provisions of Section 35 hereof.

(c) Each issue of the Additional Parity Securities shall be given a different series designation, shall have stated maturities of principal on March 1 of the years in which the Additional Parity Securities of that series shall mature, and shall bear interest payable not less often than semiannually. Any series may have provisions for redemption prior to maturity and such other provisions not in conflict with this Ordinance as the Council shall determine advisable and shall set forth in the proceedings in which the Additional Parity Securities of that series are authorized to be issued.

Section 9. Warrant Fund. (a) There is hereby created a special fund to be designated the "City of Trussville Series 2026 Warrant Fund," for the purpose of providing for the payment of the principal of and interest and premium, if any, on the Series 2026 Warrants, at the respective maturities of said principal, interest and premium, if any, which special fund shall be maintained until the principal of and the interest and premium, if any, on the Series 2026 Warrants have been paid in full. Payments into the Warrant Fund shall be made as follows:

(i) there shall be paid into the Warrant Fund the amount of accrued interest, if any, from the sale of the Series 2026 Warrants; and

(ii) on or before the 25th calendar day of each August and February, beginning with the month of August, 2026, and thereafter until the principal of and interest on the Series 2026 Warrants shall have been paid in full, the City will pay into the Warrant Fund an amount equal to the sum of (A) the semiannual installment of interest that will mature on the Series 2026 Warrants on the next succeeding Interest Payment Date with respect thereto, plus (B) the principal that will mature on the Series 2026 Warrants on the then next succeeding Interest Payment Date; provided, however, that following payment into the Warrant Fund of any sum out of the proceeds from the sale of the Series 2026 Warrants, pursuant to the provisions of paragraph (i) of this subsection (a), there shall be credited one time on the amount required by this paragraph (ii) to be paid into the Warrant Fund an amount equal to any such sum so paid into the Warrant Fund pursuant to the provisions of the said paragraph (i).

There shall also be credited on the payments due under this subsection (a) to be made into the Warrant Fund all earnings on investments made pursuant to the provisions of subsection (e) of this Section 9, to the end that all moneys held in the Warrant Fund (exclusive of amounts held therein for the payment of matured but unrepresented Series 2026 Warrants) shall be paid out for purposes for which the Warrant Fund was created within thirteen (13) months from the date such moneys first become available for such purposes. The Bank shall promptly notify the City of the receipt of such earnings and the amount thereof.

All moneys paid into the Warrant Fund shall be used only for payment of the principal of and the interest and premium, if any, on the Series 2026 Warrants, upon or after the respective maturities of such principal, interest and premium; provided, that, if at the final maturity of the Series 2026 Warrants, howsoever the same may mature, there shall be in the Warrant Fund moneys in excess of the amount required to retire the Series 2026 Warrants, then any such excess shall thereupon be returned to the City. When the amount of money on deposit in the Warrant Fund equals or exceeds the aggregate of the principal and interest to their respective maturities on the Series 2026 Warrants at the time outstanding, no further payments need be made into the Warrant Fund except to make good the moneys paid therein which may become lost or which may not be immediately available for withdrawal under the provisions of this section. The City shall make the deposits into the Warrant Fund so that all amounts shall be available to the Bank in immediately available funds not later than 10:00 a.m., Birmingham, Alabama time on the last business day prior to the September 1 or March 1 with respect to which the payment is made.

(c) **Depository for Warrant Fund.** The City hereby designates the Bank as the depository for the Warrant Fund with respect to payment of principal of and the interest and premium, if any, on the Series 2026 Warrants. The City may, from time to time, change the depository of the Warrant Fund to any successor that satisfies the requirements set forth below. In the event that the Bank should at any time decline to act as such depository, or should resign as such depository, or should cease to be a member of the Federal Deposit Insurance Corporation (or any agency which may succeed to its duties), or should cease to be duly qualified and doing business within the State of Alabama, or should be removed by the City as set forth above, then

the Council shall by Resolution designate a successor to such depository; provided that any such successor depository shall be and remain a member of the Federal Deposit Insurance Corporation (or of any agency which may succeed to its duties) and shall be and remain duly qualified and doing business in the State of Alabama.

(d) **Trust Nature of and Security for the Warrant Fund.** The Warrant Fund shall be and at all times remain public funds impressed with a trust for the purpose for which the Warrant Fund is herein created. Each depository for the Warrant Fund shall at all times keep the moneys on deposit with it in the Warrant Fund continuously secured for the benefit of the City and the Holders of the Series 2026 Warrants either:

(1) by holding on deposit as collateral security, United States Securities or other marketable securities eligible as security for the deposit of trust funds under regulations of the Board of Governors of the Federal Reserve System, having a market value (exclusive of accrued interest) not less than the amount of moneys on deposit in the Warrant Fund, or

(2) if the furnishing of security in the manner provided in the foregoing clause (1) of this sentence is not permitted by the then applicable law and regulations, then in such other manner as may be required or permitted by the applicable state and federal laws and regulations respecting the security for, or granting a preference in the case of, the deposit of public funds;

provided, however, that it shall not be necessary for such depository so to secure any portion of the moneys on deposit in the Warrant Fund that may be insured by the Federal Deposit Insurance Corporation (or by any agency that may succeed to its duties) or any portion of the said moneys that may be invested pursuant to the provisions of subsection (e) of this Section 9.

(e) **Investment of Moneys in the Warrant Fund.** So long as the City shall not be in default hereunder it may, at any time and from time to time as it in its sole discretion shall deem advisable, cause to be invested in Eligible Investments any or all of the moneys in the Warrant Fund; provided, that, each such investment shall mature not later than the Interest Payment Date next following the date such investment is made. In the event of any such investment, the securities in which the investment is made shall become a part of the Warrant Fund and shall be held by the depository for the moneys so invested to the same extent as if they were moneys on deposit in the Warrant Fund. The City may likewise at any time and from time to time cause any securities in which any such investment shall be made to be sold or otherwise converted into cash, whereupon the net proceeds derived from any such sale or conversion, after payment of all necessary expenses incident to such sale or conversion, shall become a part of the Warrant Fund. The depository for the Warrant Fund shall be fully protected in making investments, sales, and conversions of any such securities upon direction given to it by the City.

Section 10. Form of Series 2026 Warrants. The Series 2026 Warrants shall be in substantially the following form:

this Series 2026 Warrant takes it subject to all payments of principal and interest in fact made with respect hereto.

This Series 2026 Warrant is one of a duly authorized issue of Series 2026 Warrants designated "General Obligation School Warrants, Series 2026", and aggregating \$17,345,000 in principal amount (the "Series 2026 Warrants"). This Series 2026 Warrant is issued pursuant to the applicable provisions of the constitution and laws of the State of Alabama, including particularly but without limitation Section 11-47-2 and Section 11-81-4 of the Code of Alabama 1975, as amended, and an ordinance (the "Ordinance") of the City duly adopted by the governing body of the City on February 24, 2026.

Those of the Series 2026 Warrants having a stated maturity on March 1, 2036, and thereafter, shall be subject to redemption and payment, at the option of the City, on any date on or after September 1, 2035, in whole or in part (and if in part, in multiples of \$5,000 in such maturities as the City in its sole discretion shall designate, and if less than all the Series 2026 Warrants having the same maturity are to be redeemed, those to be redeemed shall be selected pro rata by the Bank), at and for a redemption price for each Series 2026 Warrant (or portion thereof) redeemed equal to the face or par amount thereof plus accrued interest to the redemption date.

The Ordinance requires that written notice of the call for redemption of this Series 2026 Warrant (or portion of the principal thereof) be forwarded by First Class Mail to the registered owner hereof, not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption. In the event that less than all the outstanding principal of this Series 2026 Warrant is to be redeemed, the registered holder hereof shall surrender this Series 2026 Warrant to the Bank in exchange for a new Series 2026 Warrant of like tenor herewith except in a principal amount equal to the unredeemed portion of this Series 2026 Warrant. Upon the giving of notice of redemption in accordance with the provisions of the Ordinance, the Series 2026 Warrants (or principal portions thereof) so called for redemption shall become due and payable on the date specified in such notice, anything herein or in the Ordinance to the contrary notwithstanding, and the holders thereof shall then and there surrender them for redemption, and all future interest on the Series 2026 Warrants (or principal portions thereof) so called for redemption shall cease to accrue after the date specified in such notice, whether or not the Series 2026 Warrants are so presented.

By the execution of this Series 2026 Warrant, the City acknowledges that it is indebted to the payee hereof in the principal amount hereof in accordance with the terms thereof. The indebtedness evidenced and ordered paid by this Series 2026 Warrant is a general obligation of the City for the payment of the principal of and the interest and premium, if any, on which the full faith and credit of the City have been irrevocably pledged. In the Ordinance, the City reserved the privilege, upon compliance with certain requirements set forth therein, of issuing additional securities and securing them by

a pledge of the said special tax (and its proceeds) on a parity with the aforesaid pledge thereof for the benefit of the Series 2026 Warrants.

It is hereby certified and recited that the indebtedness evidenced and ordered paid by this Series 2026 Warrant is lawfully due without condition, abatement or offset of any description; that this Series 2026 Warrant has been registered in the manner provided by law; that all conditions, actions and things required by the constitution and laws of the State of Alabama to exist, be performed or happen precedent to and in the issuance of this Series 2026 Warrant do exist, have been performed and have happened; and that the indebtedness evidenced and ordered paid by this Series 2026 Warrant, together with all other indebtedness of the City, was at the time the same was created and is now within every debt and other limit prescribed by the constitution and laws of the State of Alabama.

The Series 2026 Warrants are issuable only as fully registered Series 2026 Warrants in the denomination of \$5,000 or any integral multiple thereof. Provision is made in the Ordinance for the exchange of Series 2026 Warrants for a like aggregate principal amount of Series 2026 Warrants of the same maturity and in authorized denomination, all upon the terms and subject to the conditions set forth in the Ordinance.

This Series 2026 Warrant is transferable by the registered holder hereof, in person or by authorized attorney, only on the books of the Bank (the registrar and transfer agent of the City) and only upon surrender of this Series 2026 Warrant to the Bank for cancellation, and upon any such transfer a new Series 2026 Warrant of like tenor hereof will be issued to the transferee in exchange therefor, all as more particularly described in the Ordinance. Each holder, by receiving or accepting this Series 2026 Warrant, shall consent and agree and shall be estopped to deny that, insofar as the City and the Bank are concerned, this Series 2026 Warrant may be transferred only in accordance with the provisions of the Ordinance.

In the event that this Series 2026 Warrant (or any principal portion hereof) is duly called for redemption, the Bank shall not be required to register, transfer or exchange this Series 2026 Warrant during the period of forty-five (45) days next preceding the date fixed for its redemption.

Section 11. Execution of Series 2026 Warrants by the City. The Series 2026 Warrants shall be executed on behalf of the City by the Mayor and attested by the City Clerk, and the seal of the City shall be impressed on each of the Series 2026 Warrants. Signatures on the Series 2026 Warrants by persons who are officers of the City at the times such signatures were written or printed shall continue to be effective although such persons cease to be such officers prior to the delivery of the Series 2026 Warrants, whether initially issued or exchanged for Series 2026 Warrants of different denominations from those initially issued.

Section 12. Registration Certificate on Series 2026 Warrants. A Registration Certificate by the Bank, in substantially the form hereinabove recited, duly executed by the manual signature of an authorized officer of the Bank, shall be endorsed on each of the Series 2026 Warrants and shall be essential to their validity.

Section 13. Registration and Transfer of Series 2026 Warrants. All Series 2026 Warrants shall be registered as to both principal and interest, and shall be transferable only on the registry books of the Bank. The Bank shall be the registrar and transfer agent of the City and shall keep at its office proper registry and transfer books in which it will note the registration and transfer of such Series 2026 Warrants as are presented for those purposes, all in the manner and to the extent hereinafter specified.

No transfer of a Series 2026 Warrant shall be valid hereunder except upon presentation and surrender of such Series 2026 Warrant at the office of the Bank with written power to transfer signed by the registered owner thereof in person or by duly authorized attorney, properly stamped if required, in form and with guaranty of signature satisfactory to the Bank, whereupon the City shall execute, and the Bank shall register and deliver to the transferee, a new Series 2026 Warrant, registered in the name of such transferee and of like tenor as that presented for transfer. The person in whose name a Series 2026 Warrant is registered on the books of the Bank shall be the sole person to whom or on whose order payments on account of the principal thereof and of the interest and premium, if any, thereon may be made. Each Holder of any of the Series 2026 Warrants, by receiving or accepting such Series 2026 Warrant, shall consent and agree and shall be estopped to deny that, insofar as the City and the Bank are concerned, the Series 2026 Warrants may be transferred only in accordance with the provisions of this Ordinance.

Each transferee of a Series 2026 Warrant takes it subject to all payments of principal and interest in fact made with respect thereto.

Section 14. Exchange of Series 2026 Warrants. Upon the request of the Holder of one or more Series 2026 Warrants, the City shall execute, and the Bank shall register and deliver, upon surrender to the Bank of such Series 2026 Warrant or Series 2026 Warrants in exchange thereof, a Series 2026 Warrant or Series 2026 Warrants in different Authorized Denominations of the same maturity and interest rate and together aggregating the same principal amount as the then unpaid principal of the Series 2026 Warrant or Series 2026 Warrants so surrendered, all as may be requested by the person surrendering such Series 2026 Warrant or Series 2026 Warrants. All Series 2026 Warrants surrendered for exchange pursuant to the provisions of this Section 14 shall be accompanied by a written power to transfer signed by the registered owner thereof in person or by duly authorized attorney, properly stamped if required, in form and with guaranty of signature satisfactory to the Bank.

Section 15. Expenses of Registration, Transfer and Exchange. Any registration, transfer or exchange of any of the Series 2026 Warrants shall be made without charge to the Holders thereof, except that (a) the Holder requesting any such registration, transfer or exchange shall pay all taxes and other governmental charges required to be paid in connection with such registration, transfer or exchange, and (b) the Holder shall pay any expenses incurred in connection with the replacement of a mutilated, lost, stolen or destroyed Series 2026 Warrant in accordance with Section 20 hereof.

Section 16. Time Limits on Registration, Transfer or Exchange. If any Series 2026 Warrant is called for redemption in whole or in part, the Bank shall not be required to register, transfer or exchange such Series 2026 Warrant during the period of forty-five (45) days next preceding the Redemption Date.

Section 17. Accrual of Interest on Series 2026 Warrants. All Series 2026 Warrants issued prior to September 1, 2026, in exchange for Series 2026 Warrants initially delivered, shall bear interest from February 26, 2026, and all Series 2026 Warrants issued on or after September 1, 2026, shall bear interest from the March 1 or September 1, as the case may be, next preceding the date of its registration and delivery unless (a) such date of registration and delivery is a March 1 or September 1, in which event such Series 2026 Warrant shall bear interest from the date of its registration and delivery, or (b) at the time of such registration and delivery the City is in default in the payment of interest on the Series 2026 Warrant in lieu of which such new Series 2026 Warrant is issued, in which event such new Series 2026 Warrant shall bear interest from the last Interest Payment Date to which interest has previously been paid or made available for payment on the Series 2026 Warrant in lieu of which such new Series 2026 Warrant is issued. The preceding provision shall be construed to the end that the issuance of a Series 2026 Warrant shall not affect any gain or loss in interest to the Holder thereof.

Section 18. Persons to Whom Payment of Interest on Series 2026 Warrants Is to Be Made. (a) Interest on the Series 2026 Warrants shall, except as provided in paragraph (b) of this Section 18, be payable in lawful money of the United States of America by check or draft mailed by the Bank to the Holders of the Series 2026 Warrants at the addresses

shown on the registry books of the Bank pertaining to the Series 2026 Warrants as of the close of business on the Record Date next preceding the Interest Payment Date.

(b) Any provision hereof to the contrary notwithstanding, Overdue Interest shall not be payable to the Holder of the Series 2026 Warrants solely by reason of such Holder having been the Holder on the Record Date next preceding the Interest Payment Date on which such interest became due and payable, but shall be payable by the Bank as follows:

- (I) Not less than ten (10) days following receipt by the Bank of immediately available funds in an amount sufficient to enable the Bank to pay all Overdue Interest on the Series 2026 Warrants, the Bank shall fix an Overdue Interest Payment Date for payment of such Overdue Interest respecting the Series 2026 Warrants.
- (II) Such Overdue Interest Payment Date fixed by the Bank shall be a date not more than twenty (20) days following the expiration of the period described in the foregoing subparagraph (I).
- (III) Overdue Interest on the Series 2026 Warrants shall be paid by check or draft mailed by the Bank to the persons in whose names the Series 2026 Warrants were registered in the registry books of the Bank pertaining to the Series 2026 Warrants on the Overdue Interest Payment Date.

(c) Payment of Overdue Interest on the Series 2026 Warrants in the manner herein prescribed to the persons in whose names the Series 2026 Warrants were registered on the Overdue Interest Payment Date shall fully discharge and satisfy all liability for the same.

Section 19. Persons Deemed Owners of Series 2026 Warrants. The City and the Bank may deem and treat the person in whose name a Series 2026 Warrant is registered as the absolute owner thereof for all purposes; they shall not be affected by notice to the contrary; and all payments by any of them to the person in whose name a Series 2026 Warrant is so registered, shall to the extent thereof fully discharge and satisfy all liability for the same.

Section 20. Replacement of Mutilated, Lost, Stolen or Destroyed Series 2026 Warrants. In the event any Series 2026 Warrant is mutilated, lost, stolen or destroyed, the City may execute and the Bank shall thereupon register and deliver a new Series 2026 Warrant of like tenor as that mutilated, lost, stolen or destroyed; provided that (a) in the case of any such mutilated Series 2026 Warrant, such Series 2026 Warrant is first surrendered to the City and the Bank, and (b) in the case of any such lost, stolen or destroyed Series 2026 Warrant, there is first furnished to the City and the Bank evidence of such loss, theft or destruction satisfactory to each of them, together with indemnity satisfactory to each of them. The City may charge the Holder with the expense of issuing any such new Series 2026 Warrant.

In lieu of issuing a new Series 2026 Warrant to replace any mutilated, lost, stolen or destroyed Series 2026 Warrant which shall have already matured or been called for redemption, the Bank may pay such Series 2026 Warrant at or after the maturity or Redemption Date applicable thereto if the Holder of such Series 2026 Warrant satisfies the same terms and conditions as those provided in the preceding provisions of this Section 20 for the replacement of such Series 2026 Warrant. Any mutilated Series 2026 Warrant surrendered to the Bank pursuant to the terms of this Section 20 shall be destroyed by the Bank after a Series 2026 Warrant in replacement thereof has been issued.

Section 21. Retention of Moneys for Payment of Series 2026 Warrants.

The amounts held by the Bank for the payment of the principal of and interest on any Series 2026 Warrants due on any date shall, pending such payment, be held in trust by the Bank for the benefit of the holders of the Series 2026 Warrants entitled thereto, and for the purposes of this Ordinance the principal of and interest on such Series 2026 Warrants shall no longer be considered to be unpaid. If any Series 2026 Warrant shall not be presented for payment within a period of one (1) year following the date when such Series 2026 Warrant becomes due, whether by maturity, redemption or otherwise, or if the check or draft providing for any payment of interest on any Series 2026 Warrant shall not have been negotiated within such period, the Bank shall return to the City any moneys theretofore held by it for payment of such Series 2026 Warrant or such interest.

Section 22. Cancellation of Series 2026 Warrants. The Bank shall forthwith cancel all Series 2026 Warrants which have been paid by it, whether by maturity, redemption or otherwise, and shall destroy such Series 2026 Warrants and if requested by the City deliver a certificate to that effect to the City.

Section 23. (a) Appointment of Bank and Acceptance or Duties. The Bank is hereby designated and appointed and shall act as registrar, transfer agent and paying agent with respect to the Series 2026 Warrants. The Bank shall signify its acceptance of the duties of the Bank under this Ordinance by filing with the City a written acceptance thereof not later than the date of the issuance of the Series 2026 Warrants. In such acceptance the Bank shall accept and agree to perform the duties required by this Ordinance, either expressly or by reasonable implication, subject, however, to the following conditions:

(i) The Bank shall undertake to perform such duties and only such duties as are specifically set forth in this Ordinance, and no implied covenants or Series 2026 Warrants shall be read into this Ordinance against the Bank.

(ii) The Bank need not recognize a Holder of a Series 2026 Warrant as such without the satisfactory establishment of title to such Series 2026 Warrant as shown on the registry books of the Bank.

(iii) The Bank may be a Holder or a pledgee of any of the Series 2026 Warrants as if not Bank hereunder.

(iv) The Bank shall not be liable for the proper application of any moneys other than those that may be paid to or deposited with it.

(v) The Bank shall not be liable to pay or allow interest on any moneys to be held by it under this Ordinance or otherwise to invest any such moneys, except as specifically required by this Ordinance or as may be required by law or other written agreement between the City and the Bank.

(vi) The Bank may make any investments permitted or required hereby through its own investment department, and any Eligible Investments issued or held by it hereunder shall be deemed investments and not deposits.

(vii) The Bank shall, upon reasonable request, inform the City of the amount at the time on deposit in any of the special funds or accounts created hereunder.

(b) **Bank to Maintain Registration Books.** The Bank will keep on file at its principal corporate trust office registration books listing the names and addresses of the holders of the Series 2026 Warrants and proper records of account relating to the receipt, disbursement, investment, allocation and application of moneys under this Ordinance.

(c) **Resignation by Bank.** The Bank and any successor Bank may resign and be discharged from the duties under this Ordinance by causing written notice specifying the effective date, postage prepaid, to the City and to every Holder of a Series 2026 Warrant. Unless the effective date of the Bank's resignation shall coincide with the appointment of a successor Bank by the Holders of the Series 2026 Warrants as herein provided, such date shall be at least thirty (30) days after the date on which notice to the City and the Holders of the Series 2026 Warrants shall have been mailed.

(d) **Removal of Bank.** The Bank may be removed at any time by an instrument or concurrent instruments in writing delivered to the Bank and to the City and signed by the Holders of a majority in aggregate principal amount of the Series 2026 Warrants then outstanding.

(e) **Appointment of Successor Bank; Interim Bank.** In case the Bank shall resign, be removed, be dissolved, be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, a successor may be appointed by the Holders of a majority in aggregate principal amount of Series 2026 Warrants then outstanding through an instrument or concurrent instruments in writing signed by such Holders. In case of any such resignation or event which causes the Bank to be incapable of acting, the City, by an instrument signed by the Mayor, shall appoint an interim Bank to serve until a successor Bank shall be appointed by the Holders of a majority in aggregate principal amount of the Series 2026 Warrants as provided above. Whenever necessary to avoid or fill a vacancy in the office of Bank, the City will appoint an interim Bank in order that there shall at all times be a Bank

hereunder. Any interim Bank so appointed by the City shall immediately and without further act be superseded by the Bank appointed by the holders of the Series 2026 Warrants.

The City shall cause notice of the appointment of an interim Bank, in the event that such an appointment is made, to be forwarded by First Class mail, postage prepaid, to every Holder of a Series 2026 Warrant. When the appointment of a successor Bank, as selected by the Holders of a majority in principal amount of the Series 2026 Warrants then outstanding, becomes effective, the City shall also cause notice of that fact to be given in the manner provided above for the notice required to be given upon the appointment of an interim Bank. Every interim or successor Bank appointed pursuant to this Section 23 shall be a trust company or bank which is qualified to perform all duties of the Bank under this Ordinance and which has, at the time of its acceptance of such appointment, capital, surplus and undivided profits of not less than \$25,000,000, if there be such an institution willing, qualified and able to accept appointment as Bank upon reasonable or customary terms.

(f) **Concerning any Successor Bank.** Every successor Bank shall execute, acknowledge and deliver to its predecessor and also to the City an instrument in writing accepting its appointment as Bank hereunder, and thereupon such successor Bank, without any further act, deed or conveyance, shall become fully vested with all the rights, powers and duties of its predecessor. Such predecessor shall, nevertheless, on the written request of the City or such successor Bank, execute and deliver an instrument transferring to such successor Bank all rights, powers and interests of such predecessor hereunder; and every predecessor Bank shall deliver all securities and moneys held by it as Bank hereunder to its successor.

(g) **Merger or Consolidation of Bank.** Any corporation into which the Bank may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Bank shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Bank, shall be the successor of the Bank hereunder, without the execution or filing of any paper or any further act on the part of the Bank or the City. In case the registration certificates with respect to any Series 2026 Warrants shall have been executed by the Bank then in office, any successor by merger or consolidation to such Bank may adopt the registration of such Series 2026 Warrants and deliver such Series 2026 Warrants with the same effect as if such successor Bank had itself registered such Series 2026 Warrants.

(h) **Compensation of Bank.** Subject to the provisions of any separate agreement with the Bank, the City shall pay to the Bank from time to time reasonable compensation for all services rendered by it under this Ordinance, including its services as registrar and paying agent for the Series 2026 Warrants, and also all its reasonable expenses, charges, counsel fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its duties hereunder.

Section 24. Sale of Series 2026 Warrants. The execution and delivery by the Mayor of a Purchase Contract dated February 11, 2026, between the City and the Underwriter, a copy of which is presented to the meeting at which this Ordinance is adopted (which copy shall be attached as Exhibit I to the minutes of the meeting at which this Ordinance is adopted and

which is hereby adopted in all respects as if set out in full in this Ordinance) respecting the Series 2026 Warrants is hereby authorized, ratified and confirmed (the "Purchase Agreement"). The Series 2026 Warrants are hereby awarded and sold to the Underwriter at and for a purchase price equal to \$19,356,859.45, which price reflects the face amount of the Series 2026 Warrants, less an underwriting discount of \$78,052.50, plus original issue premium of \$2,089,911.95.

Section 25. Approval of Preliminary Official Statement and Final Official Statement. The actions of the Underwriter in circulating a Preliminary Official Statement dated February 4, 2026, with respect to the Series 2026 Warrants, a copy of which is presented to the meeting at which this Ordinance is adopted (which copy shall be attached as Exhibit II to the minutes of the meeting at which this Ordinance is adopted and which is hereby adopted in all respects as if set out in full in this Ordinance) are hereby ratified and confirmed. The actions of the City in causing the Preliminary Official Statement to be "deemed final" as of its dated date for purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission are hereby accepted and confirmed. The Council does hereby authorize and approve, and the Mayor is hereby authorized and directed to execute and deliver, by and on behalf of the City, an Official Statement respecting the Series 2026 Warrants, a copy of which is presented to the meeting at which this Ordinance is adopted (which copy shall be attached as Exhibit III to the minutes of the meeting at which this Ordinance is adopted and which is hereby adopted in all respects as if set out in full in this Ordinance), along with such amendments, supplements, modifications or other changes as shall be determined necessary by the Mayor.

Section 26. Authorization of Continuing Disclosure Agreement; Authorization of Funding Agreement. (a) The Council does hereby authorize and approve, and the Mayor is hereby authorized and directed to execute and deliver, on behalf of the City, a Continuing Disclosure Agreement dated the date of the Series 2026 Warrants, for the benefit of the beneficial owners of the Series 2026 Warrants, in substantially the form presented to the meeting at which this Ordinance is adopted (which form shall be attached as Exhibit IV to the minutes of the meeting at which this Ordinance is adopted and which is hereby adopted in all respects as if set out in full in this Ordinance) (the "Continuing Disclosure Agreement") and the City Clerk is hereby authorized and directed to attest the said Continuing Disclosure Agreement.

(b) The Council does hereby authorize the Funding Agreement dated January 26, 2026, between the City and the Board of Education pursuant to which the City and the Board of Education have agreed that the City may use and apply the Pledged Tax Proceeds for payment of the Series 2026 Warrants and the Unrefunded Series 2015 Warrants prior to remitting any Pledged Tax Proceeds to the Board of Education, a copy of which is presented to the meeting at which this Ordinance is adopted (which shall be attached as Exhibit V to the minutes of the meeting at which this Ordinance is adopted and which is hereby adopted in all respects as if set out in full in this Ordinance) (the "Funding Agreement"). The Council does hereby authorize and ratify the execution of the Funding Agreement by the Mayor, on behalf of the City, and the execution thereof by the City Clerk. The Mayor is hereby authorized and directed to affix the final maturity and debt service schedule as Exhibit A to the Funding Agreement on behalf of the City.

Section 27. Redemption and Refunding of Refunded Warrants; Authorization of Escrow Trust Agreement. (a) Acting pursuant to the provisions of the 2015 Ordinance, the City does hereby elect to redeem and pay, and does hereby call for redemption and payment, on March 30, 2026 (the "Refunded Warrants Redemption Date"), all of the Refunded Warrants. Synovus Bank, in its capacity as paying agent for the Refunded Warrants, is hereby authorized and directed to give notice of and effect said redemption of the Refunded Warrants in the manner provided in the 2015 Ordinance, and to take all such other action as shall be necessary or desirable to carry-out the redemption and payment of the aforesaid warrants as aforesaid.

(b) **Escrow Trust Agreement.** The Council does hereby authorize and approve, and the Mayor is hereby authorized and directed to execute and deliver, by and on behalf of the City, an Escrow Trust Agreement dated the date of the Series 2026 Warrants (the "Escrow Trust Agreement") between the City and Synovus Bank, as escrow trustee, providing for the payment of the Refunded Warrants, in substantially the form presented to the meeting at which this ordinance is adopted (which form shall be attached as Exhibit VI to the minutes of the meeting at which this resolution is adopted and is adopted in all respects as if set out in full herein), with such changes as the said Mayor shall approve. The City Clerk is hereby authorized and directed to affix the seal of the City to the Escrow Trust Agreement and to attest the same.

(c) **Other Actions.** The Mayor, the Finance Director of the City, and the City Clerk are each hereby authorized and directed to take or cause to be taken, in the name and behalf of the City, all of the actions required by the provisions of the 2015 Ordinance to be taken in order to cause to be effectuated and completed the redemption and payment of the Refunded Warrants as set forth above in this Section 27.

Section 28. Authorization of Related Documents and Actions. The Mayor and the City Clerk, or either of them, are hereby authorized and directed to execute, seal, attest and deliver such other documents and certificates and to take such other actions on behalf of the City as may be necessary to consummate the sale and issuance of the Series 2026 Warrants, construct and acquire the 2025 Capital Improvements, and carry out fully the transactions contemplated by this Ordinance including, without limiting the generality of the foregoing, the execution and delivery of a Tax Compliance Agreement and Certificate establishing facts and circumstances necessary to support the conclusion that the Series 2026 Warrants are not "arbitrage bonds" within the meaning of Section 148 of the Code and the applicable regulations promulgated thereunder, and an IRS Form 8038-G.

Section 29. Use of Proceeds from Sale of Series 2026 Warrants. The proceeds from the sale of the Series 2026 Warrants, less the sum of \$78,052.50 representing the Underwriter's discount referable to the Series 2026 Warrants to be retained by the Underwriter, unless otherwise directed in writing to the Bank by the Mayor and the City Clerk of the City, or either of them:

(i) there shall be deposited into the special fund or account established under the Escrow Trust Agreement for payment of the Refunded Warrants the sum of \$18,613,409.06,

which shall be held therein and used to cover the redemption price of the Refunded Warrants due on the March 28, 2026 redemption date set for the Refunded Warrants,

(ii) the sum of \$579,959.39 shall be remitted to a special fund or account of the Board of Education for payment of the 2026 Capital Improvements pursuant to written direction from the Mayor and the Finance Director, or either of them, delivered to the Bank, and

(iii) the balance (\$163,491.00) shall be applied by the Bank for payment of the costs of issuing the Series 2026 Warrants, as per written directions of the Mayor and the Finance Director, or either of them, delivered to the Bank, or as shall be otherwise directed in writing to the Bank by the Mayor and the Finance Director, or either of them. The Bank is hereby authorized and directed to open and establish such fund or account in the name of the City as shall be necessary for the deposit of such balance and distribution thereof as herein provided.

Section 30. Provisions Respecting Registration of Series 2026 Warrants to Comply with Provisions of the Code. The City and the Bank recognize that the provisions of the Code require that the Series 2026 Warrants be in "registered form," and that, in general, each Series 2026 Warrant must be registered as to both principal and interest and any transfer of any Series 2026 Warrant must be effected only by the surrender of the old Series 2026 Warrant and by either the reissuance of the old Series 2026 Warrant to a new Holder or the issuance of a new Series 2026 Warrant to a new Holder. The Bank may rely upon an opinion of nationally recognized bond counsel with respect to any question which may arise pertaining to the registration, transfer, exchange or reissuance of Series 2026 Warrants. The provisions of this Ordinance pertaining to the registration, transfer, exchange or reissuance of the Series 2026 Warrants need not or shall not be followed if the Bank receives an opinion of nationally recognized bond counsel that compliance with requirements in addition to or in lieu of the requirements of this Ordinance pertaining to such registration, transfer, exchange or reissuance is required or permitted under the provisions of the Code or under other applicable laws and regulations.

Section 31. Denominations of Series 2026 Warrants as Initially Issued. The Series 2026 Warrants of each maturity shall be initially issued in Authorized Denominations as requested by the Underwriter and registered in the names of the persons, firms or corporations specified by the Underwriter. If, for any reason, the City is unable to prepare or cause to be prepared Series 2026 Warrants in the Authorized Denominations requested by the Underwriter and registered in the names specified by the Underwriter, the City may deliver one Series 2026 Warrant for each maturity in the principal amount of such maturity, each registered in a name designated by the Underwriter.

Section 32. Provisions for Payment at Par. Each bank at which the Series 2026 Warrants shall at any time be payable, by acceptance of its duties as paying agent therefor, shall be construed to have agreed thereby with the Holders of the Series 2026 Warrants that it will make, out of the funds supplied to it for that purpose, all remittances of principal, interest and premium, if any, on the Series 2026 Warrants in bankable funds at par without any deduction for exchange or other costs, fees or expenses. The City agrees with the Holders of the Series 2026 Warrants that it will pay all charges for fees and expenses which may be made by such bank in the making of remittances in bankable funds of the principal of and interest on any of the Series 2026 Warrants.

Section 33. Concerning the Code. The City recognizes that the Code imposes certain conditions to the exemption from federal income taxation of the interest income on the Series 2026 Warrants. Accordingly, the City agrees that it will continuously comply with all requirements imposed by the Code as a condition to the exemption from federal income taxation of the interest income on the Series 2026 Warrants. Without limiting the generality of the foregoing:

(i) the City will not permit the gross proceeds of the Series 2026 Warrants to be invested or reinvested in a manner that would cause the Series 2026 Warrants to be considered "arbitrage bonds" within the meaning of Section 148 of the Code, and the City will make timely rebate payments to the United States of America as required by Section 148(f) of the Code; and

(ii) the City will not apply the proceeds of the Series 2026 Warrants in such a manner that would cause any of the Series 2026 Warrants to be "private activity bonds" within the meaning of the Code.

Section 34. Registration of Series 2026 Warrants in the Book-Entry Only System. The provisions of this Section 34 shall apply with respect to any Series 2026 Warrant registered to CEDE & CO. or any other nominee of DTC while the Book-Entry Only System is in effect and shall, during the period of their application, supersede any contrary provisions of this Ordinance.

The Series 2026 Warrants shall be issued as one fully registered warrant for each maturity in the total principal amount of such maturity. On the date of the initial authentication and delivery of the Series 2026 Warrants, the Series 2026 Warrants shall be registered in the name of CEDE & CO., as nominee of DTC as the Owner of all the Series 2026 Warrants. With respect to Series 2026 Warrants registered in the name of CEDE & CO., as nominee of DTC, the City and the Bank shall have no responsibility or Series 2026 Warrant to any Participant (which means securities brokers and dealers, banks, trust companies, clearing corporations and various other entities, some of whom, or their representatives, own DTC) or to any Beneficial Owner (which means, when used with reference to the Book-Entry Only System, the person who is considered the beneficial owner thereof pursuant to the arrangements for book entry determination of ownership applicable to DTC) with respect to the following: (i) the accuracy of the records of DTC, CEDE & CO. or any participant with respect to any ownership interest in the Series 2026 Warrants, (ii) the delivery to any Participant, any Beneficial Owner or any other

person, other than DTC, of any notice with respect to the Series 2026 Warrants, including any notice of redemption, or (iii) the payment to any Participant, or any Beneficial Owner or any other person, other than DTC, of any amount with respect to the principal or purchase price of or premium, if any, or interest on the Series 2026 Warrants. The Bank shall pay all principal of and premium, if any, or interest on the Series 2026 Warrants only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the City's Series 2026 Warrants with respect to the principal of and premium, if any, and interest on such Series 2026 Warrants to the extent of the sum so paid. No person other than DTC shall receive a Series 2026 Warrant. Upon delivery by DTC to the Bank of written notice to the effect that DTC has determined to substitute a new nominee in place of CEDE & CO., the words "CEDE & CO." in this Section 34 shall refer to such new nominee of DTC.

Upon receipt by the Bank of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities hereunder, the Bank shall issue, transfer and exchange Series 2026 Warrants as requested by DTC in Authorized Denominations, and whenever DTC requests the Bank to do so, the Bank will cooperate with DTC in taking appropriate action after reasonable notice to arrange for a substitute bond depository willing and able upon reasonable and customary terms to maintain custody of the Series 2026 Warrants registered in whatever name or names the Owners transferring or exchanging such Series 2026 Warrants shall designate, in accordance with this Section 34.

In the event the City determines that it is in the best interests of the Beneficial Owners that they be able to obtain Series 2026 Warrants registered in the name of an Owner other than DTC, the City may so notify DTC and the Bank, whereupon DTC will notify the Participants, of the availability through DTC of such Series 2026 Warrants. In such event, upon the return by DTC of all Series 2026 Warrants held by DTC in the name of Cede & Co., the Bank shall issue, transfer and exchange Series 2026 Warrants in Authorized Denominations as requested by DTC, and whenever DTC requests the City and the Bank to do so, the Bank and the City will cooperate with DTC in taking appropriate action after reasonable notice to make available Series 2026 Warrants registered in whatever name or names the Beneficial Owners transferring or exchanging Series 2026 Warrants shall designate, in accordance with this Section 34.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Series 2026 Warrant is registered in the name of CEDE & CO., as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on such Series 2026 Warrant and all notices with respect to such Series 2026 Warrant shall be made and given, respectively, to DTC as provided in their Letter of Representations.

In the event that the Book-Entry Only System pursuant to this Section 34 is discontinued, the Beneficial Owners shall be registered on the Registry Books as the Owners of the Series 2026 Warrants. Subsequent to the discontinuation of the Book-Entry Only System, Series 2026 Warrants may be registered, transferred and exchanged in accordance with the provisions of this Ordinance (other than this Section 34).

Section 35. Defeasance and Deemed Payment of Series 2026 Warrants. In addition to all other circumstances under which the Series 2026 Warrants are to be deemed paid and no longer outstanding, any of the Series 2026 Warrants shall be considered as fully paid and no longer outstanding if there shall be filed with the City Clerk and submitted to the Bank each of the following:

(1) a trust agreement between the City and a banking corporation or national banking association making provision for the retirement of such Series 2026 Warrants by creating for that purpose an irrevocable trust fund sufficient to provide for payment and retirement of such Series 2026 Warrants (including payment of the interest that will mature thereon until and on the dates they are retired, as such interest becomes due and payable), either by redemption prior to their respective maturities, by payment at their respective maturities or by payment of part thereof at their respective maturities and redemption of the remainder prior to their respective maturities, which said trust fund shall consist of (i) United States Securities which are not subject to redemption prior to their respective maturities at the option of the issuer and which, if the principal thereof and the interest thereon are paid at their respective maturities, will produce funds sufficient so to provide for payment and retirement of all such Series 2026 Warrants, or (ii) both cash and such United States Securities which together will produce funds sufficient for such purpose, or (iii) cash sufficient for such purpose;

(2) a certified copy of a resolution adopted by the City Council calling for redemption those of such Series 2026 Warrants that, according to said trust agreement, are to be redeemed prior to their respective maturities; and

(3) an opinion of bond counsel to the City to the effect that the execution and effectuation of the trust agreement referred to in the preceding clause (1) will not result in interest income on such Series 2026 Warrants being subject to federal income taxation.

Section 36. Provisions of Ordinance Severable. The provisions of this Ordinance are hereby declared to be severable. In the event any provision hereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect any other portion of this Ordinance.

Section 37. Creation of Contract. The provisions of this Ordinance shall constitute a contract between the City and each Holder of the Series 2026 Warrants.
