## CITY OF TRUSSVILLE MINUTES

### JUNE 23, 2026 AGENDA WORKSHOP

The City Council met in an **agenda workshop** on **Tuesday, June 23, 2026**, at 5:30 pm to review the proposed agenda for its next regular session. Council President Jaime Melton Anderson presided over the meeting and Dan Weinrib served as recording secretary.

Those members present were as follows:

- President Jaime Melton Anderson
- Councilor Kimberly Farr
- Councilor Ben Horton
- Councilor Brian Jackson
- Councilor Jim Miller

Others present in their official capacity:

- Mayor Ben Short
- City Attorney Rick Stotser
- City Clerk Dan Weinrib

The city council had just one consent agenda item & one regular agenda item to review. After Mayor Short explained that a \$30,000 grant will pay for upfitting a new police vehicle, to be purchased from the State's contract, the council readily agreed to keep the appropriation on the consent agenda. The one regular agenda item did not require any consideration or vote.

For discussion, Councilor Miller shared with his colleagues a draft resolution to impose a temporary moratorium on residential demolitions within the Cahaba Project. He stated his reasons for his request to add it to the regular agenda. His four colleagues took turns giving feedback. None of them endorsed his submitted idea. Miller responded, expressing disappointment in his colleagues. Mayor Short suggested that Miller meet with the city attorney to draft legislation that his colleagues could support. Miller accepted the suggestion on the condition that the other four work offer their suggestions in good faith to accomplish that goal. Otherwise, it would be fruitless. With Trussville now embarking on updating its comprehensive master plan, Miller floated the idea of another moratorium, this time on all rezonings until the city received its new master plan. He intends to bring it up at a subsequent council meeting.

With nothing left to review, President Anderson adjourned the workshop at 6:05m.

### MAY 21, 2026 REGULAR SESSION

The City Council met in **regular session** on **Tuesday, June 23, 2026**, at 6:10 pm. Council President Jaime Melton Anderson presided over the meeting and Dan Weinrib served as recording secretary.

Those members present were as follows:

- President Jaime Melton Anderson
- Councilor Kimberly Farr
- Councilor Ben Horton
- Councilor Brian Jackson
- Councilor Jim Miller

Others present in their official capacity:

- Mayor Ben Short
- City Attorney Rick Stotser
- City Clerk Dan Weinrib

Councilor Horton led the prayer. Councilor Farr led the pledge.

President Anderson introduced the minutes from the previous council meeting. Councilor Miller moved & Councilor Jackson seconded the motion to approve the submitted minutes. **UNANIMOUS**

President Jackson then introduced the consent & regular agendas. Councilor Miller moved & Councilor Horton seconded the motion to approve the one-item consent agenda. **UNANIMOUS** Councilor Miller then moved & Councilor Jackson seconded the motion to approve the regular agenda. **UNANIMOUS**

During public comments, Pelham city councilor Maurice Mercer introduced himself to the council & audience. He is a Democratic candidate, running in the 6th Congressional District.

Under the regular agenda, President Anderson recognized the Beautification Committee in attendance. In turn, they announced winners & runners-up in Best Use of Color, Best Home Landscape

Design, Best Home Overall, Best Business, Best Garden Home Design & Best Garden Home Overall. Some honorees were present & were recognized. After a brief recess for group pictures, President Anderson resumed the meeting.

Finance Director Joseph Calvert then gave his monthly budget report, covering the city's performance through May. Over the month of May, the City's expenses exceeded revenues by approximately \$750,000, exceeding the estimated \$700,000 gap. However, much of that May deficit is attributed to \$523,000 in approved equipment purchases for Public Works. In sum, the City continues to outperform its initial FY2026 budget estimates, taking in more revenues while spending less money. Already, the Inspections Department has realized more permitting fee revenues over the last eight months than its initial total projection for the entire budget year. This year's sales tax revenues continue to outpace this year's estimates & last year's actuals.

During committee reports, Councilor Horton announced that the Tree Commission is moving its meetings to Wednesdays. Also, the Utilities Board chose to absorb the increased costs of natural gas, rather than passing it along to its customers. Also, under Public Safety, Police are warning drivers to slow down & focus on driving, after some near-collisions with pedestrians on Parkway Drive, near Cahaba Elementary. Also, Design Review approved a sign for a storage business at the Stockton traffic light intersection.

Councilor Jackson summarized all decisions by Planning & Zoning at its last meeting. The Commission is still reviewing public feedback on the proposed Cahaba Homestead Overlay District. The Commission will discuss the proposal at its July 9th agenda workshop. The Commission voted to have separate meeting dates for its monthly workshops & regular sessions, like it had done in previous years.

Councilor Miller announced that the Veterans Committee has completed its plans for a July 4th parade, honoring our country's semiquincentennial.

Councilor Farr announced the IDA will meet on June 25th. Also, Parks & Recreation is hosting a rugby tournament at the soccer complex. Also, the City is hosting the district senior master games over July 7-9 at the Civic Center; its state tournament will occur in October. Repair work on the Civic Center roof is almost complete, with an inspection pending. Families can now register their kids for various fall sports, including football, baseball & soccer. Public Works department remains busy with their seasonal duties. They will soon add Parks Maintenance to its operations. Also, she promoted the Library's programs – Jim Phillips on June 25th as well as Anniston Museum of Natural History on July 1st.

Councilor Anderson reported that at its last meeting, the city school board honored the 7A state champion softball & baseball teams. Also, Leadership Trussville is in its final week of accepting applications for its fifth class.

Mayor Short apologized to the public, particularly Camp Coleman Road area residents, for the traffic disruption by Norfolk Southern. The railroad company started doing maintenance on its Camp Coleman crossing without giving the City any courtesy advanced notice. They did maintenance at other crossings over subsequent days. Mayor Short told the public he would talk to its leadership teams about the community's ongoing frustrations with them. Also, the City Splash Pad is temporarily closed. Parks & Recreation is waiting for a customized part to arrive from Texas, via two-day delivery. The City will credit back some money to families who bought all-summer Splash Pad passes.

During audience comments, Brian Bozeman (305 Brentwood Avenue) spoke against Councilor Miller's demolition proposal, stating it is unwarranted. He also opposed the proposed Cahaba Homestead Overlay District. He also opposes the Design Review Committee having any oversight of Cahaba Project residential construction plans.

President Anderson wished Mayor Short a happy birthday.

Councilor Jackson moved, then Councilors Farr & Horton jointly seconded the motion, to go into executive session to discuss a possible or potential real estate deal. **UNANIMOUS** The Council briefly recessed then convened in executive session. Once that ended, there was nothing left on the agenda. President Anderson adjourned the meeting at 6:40 pm.

Respectfully submitted,

Dan Weinrib MMC  
City Clerk

## **Patterson Pope Terms and Conditions** The following terms and conditions shall apply to any Deliverables (defined herein) provided by Patterson Pope, Inc. ("Company") to Client.

1. **Acceptance and Agreement:** The provisions on the pricing page, the purchase order and these Terms and Conditions (collectively, the "Agreement") constitute the entire agreement between Company and Client and supersede all other communications between the parties, whether written or oral, regarding the products and services described in this Agreement ("Deliverables"). The terms of this Agreement are expressly limited to those provided herein, and no purported modification, addition, or waiver of the provisions hereof shall be binding on Company for any purposes unless contained in writing, signed by an authorized representative of Company. The provisions hereof shall be deemed to have been accepted by Client's acceptance of all or any part of the Deliverables. All orders or any changes to such orders shall be subject to acceptance by Company. Change orders requested after receipt of Client purchase order may also incur additional charges. If, for any reason, Client cancels the order, any cancellation, restocking and handling charges will be invoiced. Future purchase orders (or similar engagement documents) and associated pricing pages may reference these Terms and Conditions, and by such reference, these Terms and Conditions shall be incorporated therein.

2. **Payment and Pricing:** Pricing quoted on the pricing page supersedes all previously quoted prices and is good for 60 days from the date of this Agreement. The pricing page may or may not include applicable sales or other taxes required by law; such taxes will be billed to Client and are Client's sole responsibility. Client shall have no authority to assert any offsets or discounts against any payment due, except as expressly agreed to by Company in the pricing page or other signed writing. Client represents and warrants to Company that it is solvent at the time this Agreement is made. Client hereby grants a security interest in the product Deliverables to secure payment to Company and consents to Company filing a financing statement to perfect such security.

This system has been custom designed and will be specially manufactured for your unique requirements. Payment Terms are as follows:

- Terms of payment for orders \$25,000 and under are net cash thirty (30) days after date of Company's invoice, unless otherwise specified, except that terms of payment are at all times subject to credit approval. If the costs to the Company of material, labor, or equipment increase, the price to Client shall be adjusted accordingly.
- Terms of payment for orders greater than \$25,000 are: **1)** A non-refundable down payment of 40% invoiced at order, **2)** 30% is invoiced at the time of shipment and **3)** 30% is invoiced at the time of completion. Deposit (1) and Shipment (2) invoices are due net cash ten (10) days after the date of the invoice, unless otherwise specified. Completion (3) invoices are due net cash thirty (30) days after date of the invoice, unless otherwise specified, except that terms of payment are at all times subject to credit approval. If the costs to the Company of material, labor, or equipment increase, the price to Client shall be adjusted accordingly.

3. **Space Requirements:** This system has been specially designed to meet Client's specific requirements; as such, most of the equipment is manufactured on a "per job" basis. Client shall allow Company's representative(s) reasonable access to Client's facilities to confirm whether the space where the Deliverables will be installed matches Client's representations. In the event that the space cannot be field verified before the Deliverables must be ordered and the actual space does not match what had been previously represented, Client is responsible for any delays and additional costs incurred to reconfigure the Deliverables to fit actual space (i.e. extra material, labor, and freight). Notwithstanding any field verification by Company, it is Client's responsibility to be certain the space is suitable for the installation of this equipment (i.e. adequate fire protection and floor load capacity).

4. **Acceptance:** Client shall accept the Deliverables which conform to the requirements of specifications under this Agreement. All claims for errors, shortages, or damage ("Non-conformance") must be made in writing to the respective Account Representative within ten (10) days of Client's receipt of any Deliverables, and Company shall have a reasonable period of time, based on the severity and complexity of the Non-conformance, to correct the Non-conformance. If Client uses the Deliverables before acceptance or fails to promptly notify Company of any Non-conformance then the Deliverables shall be considered accepted by the Client.

5. **Freight and Shipping:** Freight and shipping terms are detailed on the pricing page. In the event that Client or one of its agents refuses delivery for whatever reason on or after the estimated delivery date, Client will be responsible for the payments in accordance to Section 2 and the pricing page in addition to any supplemental storage charges incurred by Company as a result of the delay *unless* the delay is caused by Company, one of its manufacturers, freight carriers, subcontractors, and/or any other agent acting on Company's behalf.

6. **Storage Fees:** As part of the Sales Agreement, Patterson Pope agrees to provide 30 days of storage at no cost. After 30 days storage fees will accrue and become billable to customers for any customer related delay or site related delay that results in a change in the installation date.

7. **Limited Warranty:** Company warrants its installation services under the Agreement shall be performed with reasonable care in a diligent and competent manner. Company's sole obligation under this warranty shall be to correct any Non-conformance, provided that Client gives Company written notice within ten (10) days after installation is completed. Company does not warrant and is not responsible for any product Deliverables or third party services. Client agrees to look to the third party manufacturer or vendor (and not Company) with respect to all claims regarding such third party products or services as its sole and exclusive remedy. *This section is Company's only warranty concerning the product and service Deliverables, and is made expressly in lieu of, and to disclaim, all other warranties and representations, express or implied, including any implied warranties of merchantability, non-infringement, or fitness for a particular purpose, or otherwise.*

8. **Limitation of Remedy and Liability:** *The maximum liability of Company and Company's principals, directors, officers, agents, employees, personnel, affiliates and their partners shall be the fees Company actually receives under the Agreement for the portion of work giving rise to the liability. In no event shall any of the above be liable to Client or any third party for any indirect, special, incidental, consequential, exemplary or punitive damages of any kind whatsoever in connection with the agreement, including but not limited to lost profits, loss of business opportunity, lost savings, and loss of business information.* Client will bear the risk of loss or damage to, or theft of, any Deliverables once delivery has been made to the Client. Any action against Company must be brought within twelve (12) months after the cause of action arises. Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control, including but not limited to, strikes, riot, war, fire, flood, storm, explosion, accident, or other acts of God. This contract shall be construed in accordance with the laws of the State of North Carolina (without regard to its choice of law provisions). Claims arising out of or requiring the interpretation of this Agreement shall be brought and litigated exclusively in courts located within Mecklenburg County, North Carolina, or if a federal court, the court whose district includes Mecklenburg County, North Carolina. This Agreement may not be assigned without prior written consent; provided, however, Company may assign this Agreement in whole or in part, without the Client's consent, in connection with a merger, acquisition, corporate reorganization, or sale of substantially all of the Company's assets, and Client agrees that Company shall be released from any further obligations under this Agreement upon such assignment.
