

Resolution No. 2026 -54

Adopting a City Transportation Plan Pursuant to the Rebuild Alabama Act

WHEREAS, the Alabama Legislature in Act. No. 2019-2 adopted the Rebuild Alabama Act;
and

WHEREAS, the Rebuild Alabama Act provides for an allocation among the municipalities based on the ratio of population of each municipality to the total population of all municipalities of the state a portion of the additional taxes levied under the Act to be used for transportation infrastructure, improvement, preservation and maintenance; and

WHEREAS, the Act provides that the municipal governing body of the City of Trussville shall adopt an annual Transportation Plan no later than August 31, which shall provide a detailed list of projects for which expenditures are intended to be made in the next fiscal year and shall be based upon an estimate of the revenues anticipated from the fund in which the additional revenue is deposited during the next fiscal year; and

WHEREAS, the Act further provides that any such funds shall be used only for the maintenance, improvement, replacement, and construction of roads and bridges maintained by the City of Trussville and such other uses as are defined in the Act.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Trussville while in regular session as follows:

1. The City Council hereby passes this Resolution as its Transportation Plan submitted in compliance with the Rebuild Act, Act No. 2019-2

2. Pursuant to the Act, the City Council of the City of Trussville estimates that its anticipated allocation from the Rebuild Alabama Act fund for the upcoming fiscal year will be approximately \$876,000, with increasing allocations for each fiscal year thereafter.

3. Pursuant to the Act, the City anticipates expending funds received on the following listed projects:

(a) To finish roadways in subdivisions that were left unfinished by developers, the cost of which exceeds the bond amounts originally posted. These monies will be used in finishing of the final course of asphalt and will allow the public a safe surface to drive upon.

(b) To pay any debt associated with a municipal road or bridge project

4. The City shall reserve at least the first 50% of the October 1 fund balance for finishing roadways in subdivisions that were left unfinished by developers. The City may use the remainder of the October 1 fund balance for payment of any debt associated with a municipal road or bridge project.

5. The City Clerk is hereby authorized and instructed to post a copy of this Resolution as its Transportation Plan here at City Hall and on its website

6. The City of Trussville already opened an account as authorized and directed to establish a separate fund maintained by the City of Trussville for receipt and deposit of funds received pursuant to the Act, the proceeds of which shall be expended solely for the maintenance, improvement, replacement and construction of roads and bridges maintained by the City and such other uses as are authorized by the Act.
