CITY OF TRUSSVILLE MINUTES

OCTOBER 13, 2026 AGENDA WORKSHOP

The City Council met in an **agenda workshop** on **Tuesday, October 13, 2026**, at 5:30 pm to review the proposed agenda for its next regular session. Council President Jaime Melton Anderson presided over the meeting and City Clerk Dan Weinrib served as recording secretary.

Those members present were as follows:	Council President Jaime Melton Anderson Councilor Kimberly Farr Councilor Ben Horton Councilor Brian Jackson Councilor Jim Miller
Others present in their official capacity:	City Attorney Rick Stotser City Clerk Dan Weinrib
Those absent:	Mayor Ben Short

The City Council reviewed the proposed one-item consent agenda and decided to keep it as presented. They then reviewed the regular agenda. All three proposed ordinances remained on the agenda. Despite explanations from Central Alabama Homebuilding Academy board member Nick Miles, which satisfied the other four councilors, Councilor Miller opposed unanimous consent to consider immediately an ordinance levying an addition $20 to residential building permits to fund the Academy. Miller made it known that he would oppose the ordinance at the next council meeting. The second ordinance had already been introduced at the previous council meeting. Dobbins Group's Eric Morrison & Cadre Engineering's Brian Hatcher answered council's questions. The council mutually agreed to consider immediately the third ordinance, approving a property swap between the City & Trussville Utilities.

The two proposed resolutions originated from attorney Heyward Hosch on behalf of his client, Tapestry Village developer Harris Doyle. The first resolution would confirm three directors for the Tapestry Village Improvement District; the other would have approved the district's petition to place assessments on sold residential lots to pay for capital improvements. Without an improvement district, the subject property on Service Road would not have adequate fire flow. Consequently, the prior city council included stipulations as part of **Ordinance No. 2024-028-PZ**, necessitating the creation of an improvement district. In January 2026, the current city council passed **Resolution No. 2026-06**, which appointed three members to the Tapestry Village Improvement District, with staggered terms ending in 2029, 2030 & 2031. By 5:51 pm, Hosch & Brooks Harris took the public podium to answer questions about the resolutions. Discussion ensued. Councilors had issues with both resolutions. The prospective **Resolution No. 2026-64** would have re-set the same appointees' staggered terms to 2030, 2031 & 2032. By the end of that topic, Hosch acknowledged this proposed resolution was no longer necessary. Question time switched over to the prospective **Resolution No. 2026-65** Once again, discussion ensued. Councilor Jackson made known his issues with Hosch's drafted resolution. He pointed out that the developer had not obtained all final approvals from the City or Planning & Zoning on its plans & related permits, yet the drafted resolution presumes that the developer had done so. He also objected to Article 3(b)(3) compelling the city council to take certain actions again on land assessments for the developer. He also objected to the resolution compelling the city council to accept the transfer of the Village's improvements, regardless of any compliance with subdivision regulations or construction codes. Piggybacking on the last point, Councilor Horton pointed out that the Trussville Utilities - not the City - is in the water utility business. He wanted the resolution to compel the developer to build its water system to the Trussville Utilities' standards, since it is higher than the industry's standards, prior to turnover. At Brooks Harris' request, the council tabled the public hearing and related resolution. *City Clerk's note – Consequently, Resolution #s 64 & 65 became available for other council legislation.*

With nothing left to review, President Anderson adjourned the workshop at 6:42 pm.

OCTOBER 13, 2026 REGULAR SESSION

The City Council met in **regular session** on **Tuesday, October 13, 2026**, at 6:47 pm. Council President Jaime Melton Anderson presided over the meeting and City Clerk Dan Weinrib served as recording secretary.

Those members present were as follows:	Council President Jaime Melton Anderson Councilor Kimberly Farr Councilor Ben Horton Councilor Brian Jackson Councilor Jim Miller

Those absent: Mayor Ben Short

President Anderson led the prayer. Councilor Farr led the pledge.

President Anderson introduced the minutes from the previous council meeting. Councilor Farr moved & Councilor Jackson seconded the motion to approve the submitted minutes. **UNANIMOUS**

President Anderson then introduced the one-item consent agenda. Councilor Horton moved & Councilor Farr seconded the motion to approve the consent agenda. **UNANIMOUS**

President Anderson then introduced the shortened regular agenda. Councilor Farr moved & Councilor Horton seconded the motion to approve the regular agenda. **UNANIMOUS**

There were no public comments, since resident Dennis Blass chose to delay his remarks.

Under the regular agenda, Councilor Farr gave an introductory first reading to a proposed ordinance levying an additional $20 on residential building permits.

Next, Councilor Jackson introduced a proposed ordinance to declare 12 acres within the larger parcel associated with 525 Main Street as surplus, then authorize Mayor Short to sign a purchase and sale agreement with TDG Development Company, LLC. **Councilor Jackson moved & Councilor Farr seconded the motion for approval, with the stipulation that the recording deed memorialize the 55+ age restriction for residential development. Upon roll call, APPROVED 4-1 (Miller dissenting)**

Next, Councilor Miller introduced a proposed ordinance to authorize Mayor Short to sign a property swap agreement with the Trussville Utilities Board. **Councilor Miller moved to suspend the rules & bring an ordinance up for immediate consideration; Councilor Jackson seconded the motion. Upon roll call, UNANIMOUS Councilor Miller then moved & Councilor Horton seconded the motion to approve the proposed ordinance. Upon roll call, UNANIMOUS Ordinance No. 2026-032-ADM**

During committee reports, Councilor Horton expressed his & the City's gratitude for the six-member Trussville Fire & Rescue Water Rescue Unit Task Force 2. They, along with units from other cities in our region, assisted Baldwin & Mobile counties with emergency services as Hurricane Isaias was about to make landfall. The Trussville unit stayed at an armory in Foley. They had only one call, since Isaias made landfall in Destin, Fla. Also, Arbor Week is coming up February 21-27. He encouraged residents to water their trees.

Councilor Jackson reported that the Redevelopment Authority is working with downtown businesses on Light Up Trussville, occurring in December. Also, Active Transportation is working in its APPLE study and branding for its trails system. They now have a comprehensive plan. Also, the Planning & Zoning Commission will consider a revised draft of the Cahaba Project Overlay District ordinance, now that the councilors gave their feedback. The Commission will also consider new subdivision regulations. State law empowers the Planning Commissions, not city councils, to enact subdivision regulations. The last time Trussville updated its regulations was in 1978.

Councilor Miller reported that the History Fair at the Civic Center was well attended. The Historical Board's next meeting is on November 2. The City Museum will be open on November 14. UAB history instructor Beth Hunter is its featured speaker. The Historical Board is obtaining landscaping quotes for its historical trail. Also, he promoted ACTA's upcoming productions, *The Lightning Thief* & *It's a Wonderful Life*.

Councilor Farr announced that the Library's upcoming Bookin' It 5K run is rescheduled to October 17. Kids in grades 2-6 can participate in the Scarecrow Stroll competition. The Library is having its annual Trick or Treat on October 29. Also, she noted Public Works remains busy with its seasonal work. It recently fixed a sinkhole on Brentwood Avenue and removed a large wasp's nest from Heritage Hall. Also, the City just opened its own fleet maintenance garage. Also, she promoted the State of the City luncheon, carnival and other Chamber of Commerce events. Also, the Miracle League just started its fall season. The Masters Games here in Trussville hosted hundreds of senior citizen competitors from across the state. Later this month, the Soccer Club is hosting the Revolution Cup. The annual North Polar Express occurs November 13-15 at the Civic Center.

Councilor Anderson acknowledged school board member Kim DeShazo in the audience. The school board's next meeting is on October 19, the same day as its biannual all-day workshop. Kids just

returned from fall break. Anderson reminded the public that in 2027, the city council will conduct an open search for its next school board appointment. Incumbent, Dr. Steve Ward, can still apply for reappointment. Also, Leadership Trussville had its Gateway to Happy Living Day on the previous Thursday.

During audience comments, Dennis Blass (221 Calumet Place) criticized the Council's decision to sell the 12 acres located at 525 Main Street, admonishing "I think y'all made a mistake."

With nothing left on the agenda, President Anderson adjourned the meeting at 7:14 pm.

Respectfully submitted,

Ordinance No. _2026-_____- ADM_

An Ordinance Levying an Additional Twenty Dollars for Each Residential Building Permit Issued in the City of Trussville, Alabama to Fund the Central Alabama Homebuilding Academy

WHEREAS, in response to a shortage of skilled trade workers in the residential construction industry in Alabama, the Alabama legislature adopted Alabama Act 2025-398 (the "Act") to allow any county or municipality in Alabama to provide funding for their local Alabama Homebuilding Academy (the "Academy") by adding an additional cost to residential building permits; and

WHEREAS, the City Council of the City of Trussville, Alabama, in accordance with the Act, desires to add twenty dollars ($20) to the cost of residential building permits to fund the Central Alabama Homebuilding Academy

NOW THEREFORE BE IT ORDAINED by **the City Council of the City of Trussville, Alabama**, as follows:

Section 1. Pursuant to the Act, there is hereby imposed a levy of twenty dollars ($20), in addition to any other amount authorized by law, for the issuance of a residential building permit for construction within the corporate limits of the City of Trussville, Alabama to be paid prior to the issuance of any residential building permit; and

Section 2. For the purposes of this ordinance, the term "residential building permit" shall include, but is not limited to, building permits, mechanical permits, plumbing permits, electrical permits, or any combination of the forgoing, and any other permit or fee required for the construction or remodeling of a new or existing residential structure; and

Section 3. All fees collected by the City of Trussville, Alabama, pursuant to this Ordinance shall be remitted to the Alabama Construction Trade Academy Fund; and

Section 4. This Ordinance shall become effective immediately upon its adoption and proper publication as provided by law

Resolution No. 2026-_____

A Resolution Accepting an Offer of Financial Assistance from the Land and Water Conservation Fund and Committing the Required Local Matching Share

WHEREAS, the City of Trussville (the "City") is committed to providing quality parks, recreational facilities, and outdoor recreational opportunities for its citizens and visitors; and

WHEREAS, the City has sought financial assistance through the Land and Water Conservation Fund ("LWCF") for the development and/or improvement of public outdoor recreational facilities within the City of Trussville; and

WHEREAS, the City has received an offer of financial assistance through the LWCF for the proposed project; and

WHEREAS, the LWCF provides financial assistance on a matching basis, with the grant providing up to fifty percent (50%) of eligible project costs and the project sponsor being responsible for the remaining fifty percent (50%); and

WHEREAS, the estimated total project cost is **Two Million Dollars ($2,000,000)**, requiring a local match of **One Million Dollars ($1,000,000)**; and

WHEREAS, the City Council finds that acceptance of this financial assistance and completion of the proposed project will serve a valid public purpose and benefit the citizens of Trussville and the surrounding community

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Trussville, Alabama, as follows:

Section 1. Acceptance of Financial Assistance

The City of Trussville hereby accepts the offer of financial assistance made available through the Land and Water Conservation Fund for the proposed project, subject to all applicable terms, conditions, requirements, and regulations associated with the award

Section 2. Commitment of Matching Funds

The City of Trussville hereby commits to providing the required local matching share of **One Million Dollars ($1,000,000)**, representing fifty percent (50%) of the total anticipated project cost of **Two Million Dollars ($2,000,000)**

The City Council further acknowledges that the City shall be responsible for providing its required matching share and for any project costs that are determined to be ineligible for reimbursement under the Land and Water Conservation Fund program

Section 3. Perpetuity

The City of Trussville acknowledges that property acquired and/or developed with Land and Water Conservation Fund assistance will be maintained for public outdoor recreation in perpetuity as required by the Land and Water Conservation Fund Act of 1965

Section 4. Authorization

The Mayor is hereby authorized and directed, on behalf of the City of Trussville, to execute any grant agreements, certifications, assurances, applications, amendments, reimbursement requests, and other documents necessary or appropriate to accept and administer the Land and Water Conservation Fund and the administration of the project.

Section 5. Effective Date

This Resolution shall become effective immediately upon its adoption by the City Council of the City of Trussville, Alabama
