CITY OF TRUSSVILLE MINUTES

OCTOBER 27, 2026 AGENDA WORKSHOP

The City Council met in an **agenda workshop** on **Tuesday, October 27, 2026**, at 5:31 pm to review the proposed agenda for its next regular session. Council President Jaime Melton Anderson presided over the meeting and City Clerk Dan Weinrib served as recording secretary.

Those members present were as follows:	Council President Jaime Melton Anderson Councilor Kimberly Farr Councilor Ben Horton Councilor Jim Miller
Others present in their official capacity:	City Attorney Chesley Payne City Clerk Dan Weinrib
Those absent:	Mayor Ben Short Councilor Brian Jackson

The City Council reviewed the regular agenda. There were two proposed ordinances on the agenda. Central Alabama Homebuilding Academy board member Nick Miles & executive director Glen Merchant answered questions from Horton, Farr & Miller regarding the ordinance levying an addition $20 to residential building permits to fund the Academy. The councilors discussed & collectively stated they wanted that ordinance altered before they vote on it. Consequently, they removed it from the agenda. The other ordinance & two resolutions remained. After Finance Director Joseph Calvert & City Clerk Dan Weinrib answered their questions, the councilors added "*with Council approval"* phrase to a section within the matching funds resolution.

With nothing left to review, President Anderson adjourned the workshop at 6 pm.

OCTOBER 13, 2026 REGULAR SESSION

The City Council met in **regular session** on **Tuesday, October 27, 2026**, at 6:01 pm. Council President Jaime Melton Anderson presided over the meeting and City Clerk Dan Weinrib served as recording secretary.

Those members present were as follows:	Council President Jaime Melton Anderson Councilor Kimberly Farr Councilor Ben Horton Councilor Jim Miller
Others present in their official capacity:	City Attorney Chesley Payne City Clerk Dan Weinrib
Those absent:	Mayor Ben Short Councilor Brian Jackson

Councilor Horton led the prayer. Councilor Farr led the pledge.

President Anderson introduced the minutes from the previous council meeting. Councilor Miller moved & Councilor Farr seconded the motion to approve the submitted minutes. **UNANIMOUS**

President Anderson then introduced the regular agenda. Councilor Horton moved & Councilor Farr seconded the motion to approve the regular agenda. **UNANIMOUS**

During public comments, Dr. Derrick Jordan of Hope Everlasting Ministries thanked the city generously for honoring him with a proclamation.

Under the regular agenda, Councilor Horton introduced a proposed proclamation honoring Fire Station No. 4 personnel, who on April 15 worked on the I-59 collision scene, involving Coach David Dobbs & his widow, Anita Dobbs. In less than 40 minutes, they left Station #4, arrived at the crash site, extricated her, stabilized her, then delivered her to UAB emergency room, so that doctors could perform life-saving surgeries. Members of the Dobbs family, including Anita, were in the audience. **Councilor Horton moved, & Councilors Farr & Miller jointly seconded the motion, for approval.** Anita Dobbs addressed everybody from her seat, expressing her profound thanks to the Fire Station #4 staff in attendance. **UNANIMOUS Proclamation No. 2026-26** After a brief recess for group pictures, President Anderson resumed the meeting.

Next, Councilor Farr introduced a proposed proclamation declaring October 28 as Support Our Local Chamber of Commerce Day. Chamber employees Melissa Walker & Heather Weems were in the audience. **She moved & Councilor Horton seconded the motion for approval.** All four councilors took turns praising Walker & Weems for everything they have done & continue to do for the community. **UNANIMOUS Proclamation No. 2026-27** After a brief recess for group pictures, President Anderson resumed the meeting.

Next, Councilor Horton introduced a proposed proclamation declaring February 21-27, 2027 as Arbor Day Week in the city. **He moved & Councilor Farr seconded the motion for approval. UNANIMOUS Proclamation No. 2026-28**

Next, Councilor Miller introduced a proposed ordinance. **Councilor Miller moved to suspend the rules & bring an ordinance up for immediate consideration; Councilor Farr seconded the motion. Upon roll call, UNANIMOUS Councilor Miller then moved & Councilor Horton seconded the motion to approve an ordinance to annex the residential property located 113 Pamela Drive. Upon roll call, UNANIMOUS Ordinance No. 2026-033-ANX**

Next, Councilor Farr introduced a proposed resolution to accept financial assistance from the Land & Water Conservation Fund. The Fund is offering a $1 million grant for the $2 million replacement playground located behind the Library. Parks & Recreation Board chairwoman Tandi Glenn Smith & Parks & Recreation Director Chris Mills were in the audience, as **Councilor Farr moved & Councilor Miller seconded the motion for approval.** Smith, Miller & Horton made brief supporting remarks. **UNANIMOUS Resolution No. 2026-64**

Next, President Anderson opened a public hearing on prospective alcohol licensing. Gregory Compton, representing Brinker Restaurant Corporation, was in the audience. Brinker bought the restaurant from its franchisee, Valenti Franchise Management LLC. Since nobody in the audience spoke up, President Anderson closed the public hearing.

Councilor Farr introduced a proposed resolution approving alcohol licensing for Chilis Grill & Bar, located at 1676 Gadsden Highway. **She moved & Councilor Horton seconded the motion for approval. UNANIMOUS with Miller abstaining. Resolution No. 2026-65**

Next, Finance Director Joseph Calvert gave his monthly report to the city council & public. Even though there remain some outstanding expenses from the previous fiscal year, the city projects finishing FY2026 with a $3.2 million surplus. Factors for this include increased revenues, controlled spending by all city departments & retirement incentives accepted by longtime city employees. In addition, the city nearly doubled its building permits revenues; lodging taxes jumped to $1.637 million; the city had initially estimated $1.45 million. The city's fund balance increased over 12 months to $12.263 million from $9 million. Ideally, the City would have a $12.4 million fund balance so that goal is within reach.

During committee reports, Councilor Horton promoted Arbor Day Week, culminating with the annual tree giveaway on February 27. He reminded the public that Election Day is on November 3. The front doors to the renovated Administration Building will be open to voters. Also, Design Review recently approved signs for incoming businesses. He also reminded drivers on northbound I-59 to slow down throughout the construction zone to 45 mph.

Councilor Horton then gave Councilor Jackson's reports. During its November 9th meeting, the Planning & Zoning Commission will review & hold a public hearing on the revised Cahaba Project Overlay District ordinance. Also, during his State of the City address, Mayor Short made public the Active Transportation Committee's master plan for citywide pathways. It will get incorporated into the City's updated Comprehensive Master Plan.

Councilor Miller reported that Veterans Committee met on October 26. Also, he promoted ACTA's upcoming production *It's a Wonderful Life*.

Councilor Farr announced that the Industrial Development Authority is merging its October & November meetings to November 12. Also, she promoted the Library's Trick or Treat & Hand in Paw events. Also, a representative from Perennial Financials is offering a workshop for small businesses. Also, she promoted the annual North Pole Expo occurring November 20-22 at the Civic Center, as well as the Cahaba River Classic cross-country run on November 21. Also, Public Works remain busy with its seasonal duties. Among other activities, crews have been patching potholes, clearing out culverts & cleaning up public areas following the recent carnival & witches ride. Also, she informed the public of the Chamber's legislative breakfast on November 10, monthly luncheon on November 19, & the Christmas tree lighting & caroling ceremony on November 29.

Councilor Anderson acknowledged school board member Sherrye Tolbert in the audience. She then bragged on various Huskies sports teams' successes. Additionally, she mentioned that the high

school retired Trussville native & Kansas City Royal Tyler Tolbert's #12 uniform number. She reminded the public that in 2027, the city council will conduct an open search for its next school board appointment. Incumbent, Dr. Steve Ward, can still apply for reappointment. Also, Leadership Trussville has Government Day on November 12. She asked the community to support Mayor Short & his family with thoughts & prayers. The previous day, Mayor Short & his family buried his mother Debbie Short, who had died following a brief illness. She was just 70 years old. She then encouraged the public to watch Mayor Short's heartfelt State of the City address on YouTube.

There were no audience comments.

President Anderson brought up the idea of rescheduling the second council meeting in November, away from November 19.

The four councilors mulled over the election of its leadership. **Councilor Farr moved & Councilor Miller seconded the motion to re-elect Councilor Anderson as its presiding officer.** The three councilors praised President Anderson for her leadership. **UNANIMOUS with Anderson abstaining.** Next, Councilor Miller proposed nominating Councilor Horton as President Pro Tem. Councilor Horton thanked Councilor Miller then respectfully declined. Councilor Farr proposed that Councilor Jackson serve another term as President Pro Tem. **Councilor Farr moved & Councilor Horton seconded the motion to re-elect Councilor Jackson as President Pro Tem.** Councilor Farr & Anderson took turns praising Jackson. Councilor Miller advocated building the bench. **Upon roll call, APPROVED 3-1 with Miller dissenting**

Councilor Horton made a motion to reaffirm the current order of procedure, which Councilor Farr seconded. Councilor Miller stated it had to be done via ordinance. President Anderson encouraged Councilor Miller to submit his order of procedure idea(s) to Mayor Short prior to the first meeting in November meeting. He also wanted an order of procedure for council workshops. Councilor Horton withdrew his motion.

With nothing left on the agenda, President Anderson adjourned the meeting at 7:13 pm.

Respectfully submitted,

DJW

MEMORANDUM OF UNDERSTANDING
BETWEEN THE JEFFERSON COUNTY COMMISSION
AND THE CITY OF TRUSSVILLE
REGARDING DEBRIS REMOVAL AND MONITORING SERVICES

WHEREAS, Alabama law authorizes counties and municipalities to enter into agreements to provide services to each other under mutually-agreed to terms and conditions; and

WHEREAS, following recent natural disasters in Alabama, all counties have entered into regional pre-event debris removal and monitoring services contracts to have available for each county in the event of a disaster within one or more counties necessitating the need for debris removal; and

WHEREAS, the Invitation to Bid for these regional pre-event contracts included a provision to require the successful bidder to provide services within the jurisdictional limits of a municipality within an activating county if the county and the municipality had entered into a memorandum of understanding allowing the activating county to assume responsibility for debris removal and/or monitoring services on municipal property within the jurisdictional limits of the municipality: and

WHEREAS, these regional county contracts provide that services may be performed within the jurisdictional limits of a municipality within an activating county at the direction of the county if, prior to the disaster warranting the need for debris removal and/or monitoring services, the county and the municipality have entered into a written memorandum of understanding whereby the county agrees to assume responsibility for performing the services necessary for the removal of disaster-related debris from municipal property on behalf of the municipality; and

WHEREAS, Jefferson County is a party to the Region 6 county contracts for debris removal and monitoring services, which contracts provide for debris removal and monitoring services to be provided to the county upon activation under procedures set out in such contracts; and

WHEREAS, the city of Trussville is not properly equipped to effectively perform debris removal operations in the event of a disaster within its jurisdictional limits, and as such, the county and municipality find it to be in their mutual best interests and to the benefit of the citizens they represent to enter into this memorandum of understanding to allow the county to have debris removal services performed on the municipal property within the jurisdictional limits of the municipality pursuant to the county regional contract for debris removal services and, if necessary, to have such debris removal monitored pursuant to the county regional contract for monitoring services; and

WHEREAS, both the Jefferson County Commission and the Trussville City Council have adopted resolutions agreeing to enter into this memorandum of understanding between the Jefferson County Commission and the city of Trussville, which resolutions are attached hereto and incorporated by reference; and

WHEREAS, the Jefferson County Commission and the city of Trussville, as evidenced by the above referenced resolutions, also agree to the following terms and conditions:

1. That this memorandum of understanding shall only apply in the event that, following a disaster necessitating debris removal and/or monitoring services, the county has activated the Region 6 contract for debris removal and/or monitoring services pursuant to procedures set out in said contract.

2. That in the event the municipality desires that the county have debris removal and/or monitoring services performed on municipal property within its municipal jurisdictional limits pursuant to this memorandum of understanding, the mayor or other municipal official designated in writing by the Trussville City Council shall, unless waived by the county commission, send written notice to the county within five calendar days of a disaster necessitating the removal of debris that the municipality desires to have the county perform such services under the terms and conditions set out in the county regional contracts.

3. That, upon receipt of such request, the county determines that it can provide those services within the jurisdictional limits of the municipality pursuant to the county regional debris removal and/or monitoring services contracts.

4. That the debris removal and/or monitoring services provided to the municipality shall be limited to available contract personnel and equipment not required to meet the needs of the county, and that the judgment of the Jefferson County Commission or its designee shall be final as to the personnel and equipment so available and as to the time of providing such services.

5. That the county shall only provide services within the jurisdictional limits of the municipality that are provided for in the regional county debris removal and monitoring services contracts as set out in Exhibit A of the contracts, which are attached hereto and incorporated by reference.

6. That the city of Trussville shall cooperate with county and contract personnel as necessary to ensure proper management and administration of the removal of debris within the jurisdictional limits of the municipality pursuant to the regional county contracts for debris removal and/or monitoring services, which cooperation shall include, but not be limited to, allowing county personnel and their contractors access as necessary to perform debris removal and/or monitoring services as determined necessary and appropriate by county personnel and assisting as necessary to provide documentation required under the county regional joint debris removal and/or monitoring services contracts.

7. That the municipality understands that monitoring of the debris removal may be necessary and agrees to cooperate with all debris removal monitoring services conducted within its jurisdictional limits pursuant to the county regional monitoring services contract or as otherwise provided by the county.

8. That there shall be no debris removal and/or monitoring services performed on private property under this memorandum of understanding and that only services authorized under the regional county contracts as determined by the Jefferson County Commission or its designated county personnel shall be provided.

9. That the county may suspend or terminate the removal of debris and/or monitoring services within the jurisdictional limits of the municipality as it deems appropriate or necessary due to (a) conditions within the county; (b) issues related to the regional county contracts for debris removal and/or monitoring; (c) lack of cooperation from municipal officials and/or employees; or (d) other reasons as warranted in the discretion of the county.

10. That by entering into this memorandum of understanding, the county assumes no liability for damages to any property of the municipality or any citizens of the municipality resulting from the debris removal or monitoring services conducted by the debris removal or monitoring services contractor. Additionally, the undersigned municipality shall indemnify and hold harmless Jefferson County, its officials, employees, and agents for any damage of any type whatsoever to the municipality's property or to personal property and fixtures situated thereon, or for bodily injury or death to persons on the municipality's property, and hereby releases, discharges and waives any and all actions, either legal or equitable, which the undersigned municipality has, or ever might or may have, by reason of any action of the county and its county officials, employees or debris removal or monitoring services contractors and any action they have taken to accomplish the aforementioned purpose.

11. That, unless alternative arrangements are made between the county and municipality prior to the county providing the municipality with debris removal and/or monitoring services as provided herein, the municipality shall reimburse the Jefferson County Commission for any and all expenses incurred by the county for the removal of debris within the jurisdictional limits of the municipality and/or for monitoring services related to the debris removal pursuant to the reimbursement schedule presented to the municipality by the county at the time the municipality submits its request for services as provided in this memorandum of understanding;

12. That the municipality's failure to timely reimburse the county pursuant to the reimbursement schedule presented to the municipality by the county shall be deemed a breach of this memorandum of understanding which shall result in termination of this agreement and any other remedies available to the county under the law.

13. That in the event the county receives reimbursement for any or all of its costs related to debris removal and/or monitoring services performed within the municipality's jurisdictional limits from any government or other source or sources, the county shall pay the municipality its pro rata share of such reimbursement within thirty days of receipt by the county provided the municipality has paid in full its portion of the cost of debris removal and/or monitoring services pursuant to the requirements set out in paragraph 11 above. However, if at any time after the county has been reimbursed from any source and has reimbursed the municipality in accordance with this paragraph, it is determined that the debris removal and/or monitoring services were not performed in accordance with such source or sources' debris removal and/or monitoring services laws, rules, regulations or guidance, the municipality shall promptly reimburse the County within 15 days the amount of the reduction of the county's reimbursement from such source related to the debris removal and/or monitoring services performed within the municipalities jurisdictional limits.

14. That this agreement only applies in the event the county has activated the regional county contract for debris removal and/or monitoring services and that the county shall not be obligated to provide debris removal and/or monitoring services on municipal property within the jurisdictional limits of the municipality except as specifically provided herein.

15. That, except as provided in paragraph 12, this memorandum of understanding shall be in full force and effect from the date it is executed by both parties and continue so long as pre-event contracts for debris removal and/or monitoring services are in effect for Region 6 and Jefferson County is a participating county. Either party may terminate for any reason upon (30) days' notice to the other party.

Executed on this the _____ day of _____, 20___.

EXCERPTS FROM THE MINUTES OF A REGULAR MEETING OF THE COUNCIL OF THE CITY OF TRUSSVILLE, ALABAMA

Confirmation of Directors and Assessment Proceedings for:

Tapestry Village Improvement District

The City Council of the City of Trussville, Alabama, met in regular public session at City Hall in the City of Trussville, Alabama, at 6:00 p.m. on November 10, 2026.

The meeting was called to order by the President, and the roll was called with the following results:

Present:	Jaime Anderson, President
	Kimberly Farr
	Ben Horton
	Brian Jackson
	Jim Miller

Absent:

The Mayor, The Honorable Ben Short, was present.

The President stated that a quorum was present and that the meeting was open for the transaction of business.

* * *

The President then stated a Petition had been filed with the City by

Tapestry Village Improvement District

pursuant to the provisions of Chapter 99A of Title 11 of the Code of Alabama 1975 for approval of the assessment of all land within the District, and the approval of the methodology for the adjustment of assessments, and the assessment of certain undeveloped or un-platted land, within the District, for the purpose of acquiring, constructing and installing improvements within the District.

The President then declared that all persons who wished to speak for or against the approval of said Petition by the Council would then be heard.

The President then declared the hearing on the said Petition open.

There being no person who wished to speak for or against approval of said Petition by the Council, the President then declared the hearing closed.

Thereupon, the following resolution, was introduced in writing by the President, read by the Clerk and considered by the Council:

RESOLUTION NO. _____

A RESOLUTION APPROVING A PETITION BY TAPESTRY VILLAGE IMPROVEMENT DISTRICT TO ASSESS LAND, AND TO APPROVE THE METHODOLOGY FOR THE ASSESSMENT OF LAND, WITHIN THE DISTRICT FOR CAPITAL IMPROVEMENT

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TRUSSVILLE, ALABAMA:

ARTICLE 1

Definitions

For purposes of this Resolution:

Assessment Methodology means the Assessment Methodology set forth in the Special Assessment Report.

Assessments shall have the meaning assigned in the Petition.

City means the City of Trussville, Alabama.

Council means the governing body of the City.

District means Tapestry Village Improvement District.

District Land means the real property within the District described on Exhibit A to the Petition.

Improvement District Act means Chapter 99A of Title 11 of the Code of Alabama 1975.

Improvements means improvements (within the meaning of the Improvement District Act) to be acquired, constructed and installed within the District Land, or within the corporate limits of the City, for the use and benefit of the residents of the District, including without limitation (i) public water facilities, (ii) public wastewater facilities, (iii) roadway and vehicular transportation improvements, and (iv) related improvements.

Petition means the Petition of the District made and delivered by the District to the City pursuant to the Improvement District Act and attached to this Resolution as Appendix A.

Special Assessment Report means the Special Assessment Allocation Report by Rizzetta & Company, Inc., with respect to the assessment of the District Land pursuant to the Improvement District Act, as attached as Exhibit B to the Petition.

ARTICLE 2

Determinations

The Council, upon evidence duly submitted to and considered by it, has found and determined, and hereby finds, determines and declares:

(1) the District has filed the Petition with the City pursuant to the Improvement District Act; and

(2) the form and content of the Petion are in full compliance with the applicable sections of the Improvement District Act, as follows:

(i) pursuant to Section 11-99A-11(1) the District has presented a reasonable description of the Improvements and a calculation of the costs thereof; and

(ii) pursuant to Section 11-99A-11(2) the proposed assessment of each tract and lot in the District, as set forth in the Petition and as to be determined by the Assessment Methodology as set forth in the Petition, will not exceed the increase in value of such tract and lot by reason of the benefits derived from the proposed Improvements, consistent with Section 223 of the Constitution of 2022; and

(iii) pursuant to Section 11-99A-11(3) each owner (as defined in Section 11-99A-2(8)) of any land within the District subject to an Assessment or to the Assessment Methodology has approved the Petition; and

(iv) pursuant to Section 11-99A-11(4) the District has complied with all applicable laws and regulations and has obtained all approvals that are required by the City with respect to the Petition; and

(v) pursuant to Section 11-99A-11(5) the Council conducted a hearing with respect to the Petition during the regular meeting of the Council on November 10, 2026 and no person appeared to speak for or against approval of said Petition by the Council; and

(vi) pursuant to Section 11-99A-3 no public notice of such hearing was required, as such hearing was held during a regularly scheduled meeting of the Council and all owners of the land to be assessed have consented thereto.

ARTICLE 3

Review of Petition and Assessment of District Land

(a) The Council has reviewed and considered the Petition and considers expedient the assessment of the District Land pursuant to the Special Assessment Report and the Assessment Methodology, as provided in the Petition.

(b) The Council:

(1) declares final the assessment of the District Land as provided in the Petition, subject to adjustment pursuant to the Special Assessment Report and the Assessment Methodology; and

(2) adopts and approves the Assessment Methodology in the Special Assessment Report to provide for the adjustment of Assessments and the assessment of un-platted land within the District Land, for all purposes of the Improvement District Act, as provided in the Petition; and

(3) authorizes the District to provide for the adjustment of Assessments, and the assessment of un-platted land within the District, pursuant to the Assessment Methodology, at such times and in such manner as the District shall determine and as shall comply with the Improvement District Act.

ARTICLE 4

Authorizations of the District

The Council covenants and agrees that, pursuant to the Improvement District Act:

(1) the Board of Directors of the District, and not the City, has exclusive authority to determine the terms of payment of all Assessments made by the City against the District Land, including without limitation the terms over which an Assessment shall be paid; the interest rate or rates, if any, applicable to an Assessment; the terms, if any, by which an Assessment can be prepaid; and whether, and under what conditions, an Assessment may be accelerated: and

(2) the Board of Directors of the District, and not the City, has exclusive authority, subject to assignment thereof to a creditor of the District, to enforce the payment of an Assessment, including without limitation the exercise of all rights and powers provided therefor in Section 11-99A-21 of the Improvement District Act; and

(3) the District may incur long-term indebtedness, and may issue revenue bonds in evidence thereof, payable exclusively from, and secured by a pledge of, any or all of the proceeds of the Assessments.

ARTICLE 5

Third Party Beneficiaries

The City agrees the District, and the owners of any indebtedness of the District which is payable from, or secured by, any of the Assessments, are third party beneficiaries of the terms, provisions, covenants and agreements of the City set forth in this Resolution and in consequence thereof may rely upon, and may enforce, all such terms, provisions, covenants and agreements

ARTICLE 6

Repeal of Conflicting Proceedings

The City directs that from and after the date of adoption of this Resolution all ordinances, resolutions, orders, or parts of any thereof, of the Council in conflict, or inconsistent, with any provision of this Resolution be, and the same hereby are, to the extent of such conflict or inconsistency, repealed and of no force or effect.

ARTICLE 7

Immediate Effect of Resolution

The Council authorizes this Resolution to become effective immediately without publication as provided in Section 11-99A-29 of the Improvement District Act.

TO THE GOVERNINING BODY OF THE CITY OF TRUSSVILLE, ALABAMA:

ARTICLE 1

Definitions

For purposes of this Petition:

Assessment Methodology means the Assessment Methodology set forth in the Special Assessment Report.

Assessments means the Assessments determined by the District pursuant to the Assessment Methodology upon the District Land.

City means the City of Trussville, Alabama.

District means Tapestry Village Improvement District.

District Land means the real property described on Exhibit A to this Petition.

Improvement District Act means Chapter 99A of Title 11 of the Code of Alabama 1975.

Improvements means improvements (within the meaning of the Improvement District Act) to be acquired, constructed and installed within the District Land, or within the corporate limits of the City, for the use and benefit of the residents of the District, including without limitation (i) public water facilities, (ii) public wastewater facilities, (iii) roadway vehicular transportation improvements, and (iv) related improvements.

Special Assessment Report means the Preliminary Special Assessment Allocation Report by Rizzetta & Company, Inc., with respect to the assessment of the District Land pursuant to the Improvement District Act, as attached as Exhibit B to this Petition.

ARTICLE 2

Purpose

The undersigned Tapestry Village Improvement District, a public corporation under the Improvement District Act, does hereby make, execute and file this Petition with the governing body of the City pursuant to the Improvement District Act to provide for the assessment of land within the District for the purpose of acquiring, constructing and installing the Improvements as provided in the Improvement District Act.

ARTICLE 3

The Improvements

The Improvements shall be acquired, constructed and installed within the District Land or within the corporate limits of the City, all of which Improvements shall be used by, and shall benefit, the owners and residents of the District:

Improvements	**Total Expected Cost**
Public Paving	$2,356,983
Public Water Facilities	2,108,633
Public Wastewater Facilities	1,906,701
Public Stormwater Facilities	1,710,780
Transportation Facilities	1,103,179
Electric Power Facilities	188,000
Total	$9,374,276

ARTICLE 4

The Assessments

The District petitions the City to assess the District Land pursuant to the Special Assessment Report and the Assessment Methodology in the following maximum amounts for each tract and lot within the District Land for the Improvements:

Lot Description	Unit Count	Equivalent Residential Unit	Maximum Assessment per Unit
50’	59	1.00	$2,500
60’	110	1.20	3,000
100’	19	2.00	5,000

The assessment of each tract and lot in the District pursuant to the Special Assessment Report and the Assessment Methodology does not and will not exceed the increase in value of such tract and lot by reason of the special benefits derived from the proposed Improvements, consistent with Section 223 of the Constitution of Alabama of 2022.

ARTICLE 5

Consent of The Owner of the District Land

The District attaches to this Petition the written approval of the owner of the District Land to the Petition, the Assessments, the Special Assessment Report and the Assessment Methodology.

ARTICLE 6

Request to City

The District requests that this Petition be considered and that a resolution be adopted by the City approving the Special Assessment Report and the Assessment Methodology and declaring the Assessments to be made pursuant to the Special Assessment Report, subject to adjustment pursuant to the Assessment Methodology, to be final for purposes of the Improvement District Act.

Testimonium

IN WITNESS WHEREOF, the District has caused this Petition to be executed in its name by the directors thereof duly authorized thereunto on the date and year first above written.

I. INTRODUCTION

This Preliminary Special Assessment Allocation Report is being presented in anticipation of an issuance of bonds by the Tapestry Village Improvement District ("District"), a public corporation under and pursuant to Chapter 99A of Title 11, Alabama Code ("Governing Law"). Rizzetta & Company, Inc. has been retained to prepare a methodology for allocating the special assessments related to the District's infrastructure project. This report will detail the preliminary financing and assessment allocation of the Bonds (as defined below) expected to fund a portion of the District's Capital Improvement Program (as defined below).

II. DEFINED TERMS

"Assessments" – The special assessments, as contemplated by Title 11 Chapter 99A Section 30 of the Constitution of Alabama.

"Bonds" - The District's Assessment Revenue Bonds, in the original principal amount of $7,000,000 (preliminary, subject to change).

"Capital Improvement Program" – (or **"CIP"**) The District's comprehensive plan for constructing and/or acquiring the District-wide system of public infrastructure improvements, all or a portion of which may be funded by the proceeds of District bonds. The CIP is estimated to cost $9,374,276.

"Developer" – Clayton Properties Group, Inc.

"District Administration Agreement" – The Agreement between the District and the Developer.

"District Engineer" – Foresite Group, LLC.

"End User" – The ultimate purchaser of a fully developed residential unit.

"Engineer's Report" – That certain *Tapestry Village Improvement District Engineer's Report dated September 11, 2026.*

"Equivalent Assessment Unit" – (EAU) Allocation factor which reflects a quantitative measure of the amount of special benefit conferred by the District's CIP on a particular land use, relative to other land uses.

"Indenture" – The Trust Indenture dated November 1, 2026 between the District and Regions Bank, Birmingham, Alabama, as trustee for the Bonds.

"Platted Units" – Lands configured into their intended end-use and subject to a recorded plat.

"Pre-Platted Parcels" – Undeveloped lands or parcels not yet subject to a recorded plat in their final end-use configuration.

III. DISTRICT INFORMATION

The governing body of the City of Trussville, Alabama adopted a resolution approving and authorizing the incorporation of the District in accordance with the Governing Law, which became effective January 13, 2026. The District encompasses approximately 75.89 acres and is located entirely within the City of Trussville, Jefferson County, Alabama. The current development plan for the District includes the development of 187 residential units.

Table 1 illustrates the District's Preliminary Development Plan.

IV. CAPITAL IMPROVEMENT PROGRAM

The District's CIP includes, but is not limited to, public water utilities (within the District), public water utilities (offsite improvement), public wastewater utilities (within the District), public wastewater utilities (offsite improvements), offsite transportation improvements (turn lanes at service road), and electrical power improvements (within the District), all as more particularly described in the Engineer's Report. The total cost of the CIP is estimated to be $9,374,276 as described in the Engineer's Report. Further detail of these costs can be found in Table 2. The net proceeds from the Bonds in the estimated amount of $5,265,975 (preliminary, subject to change) will be used by the District towards funding a portion of the CIP.

V. PRELIMINARY BONDS AND ASSESSMENTS

In order to provide for the CIP funding described in Section IV above, it is expected the District will issue the Bonds in the estimated principal amount of $7,000,000 (preliminary, subject to change), which will be secured by the pledged revenues from the Assessments. The Assessments will initially be levied in the estimated annual amount of $550,005 and shall be structured in the same manner as the Bonds, so that revenues from the Assessments are sufficient to fulfill the debt service requirements for the Bonds.

The Bonds will be structured as amortizing current-interest bonds, with the repayment occurring in annual installments of principal and interest. Interest payment dates shall occur every April 1 and October 1 from the date of issuance until final maturity estimated on October 1, 2056. The first scheduled payment of coupon interest is anticipated to be due on April 1, 2027, although interest is anticipated to be capitalized through March 1, 2028, with the first principal installment due October 1, 2029. The annual principal payment will be due each October 1 thereafter until final maturity.

It is expected that the Assessments will initially be levied on the Pre-Platted Parcels within the District on a per acreage basis. Assessments will be assigned to the lots planned within the District once they are platted. As of the date of this report, Alabama code requires

assessments to be collected directly by the District. Should Alabama code change in the future to allow for assessments to be collected via the annual property tax bill, the Assessments would be grossed up accordingly to allow for any applicable collection costs or early payment discounts.

VI. PRELIMINARY ASSESSMENT ALLOCATION

The Assessments are expected to ultimately be allocated to all 187 Platted Units planned for development within the District, as shown on Table 4. The Assessments are allocated based on a front footage EAU methodology pursuant to Section 223 of the Constitution of Alabama, and as allocated, the Assessments fall within the cost/benefit thresholds and are fairly and reasonably allocated amount the different product types.

Table 4 reflects the Assessments per Platted Unit. The Assessments will initially be levied on the approximately 75.89 acres within the District on an equal assessment per acre basis. As land is either sold in bulk to third parties, or as land is platted or otherwise subdivided into Platted Units, the Assessments will be assigned to those Platted Units at the per-unit amounts described in Table 4, on a first platted and first assigned basis, thereby reducing the Assessments encumbering the Pre-Platted Parcels by a corresponding amount. The Assessments are expected to ultimately be assigned to 188 Platted Units (228 EAUs) within the District.

In the event a Pre-Platted Parcel is sold to a party not affiliated with the Developer, Assessments will be assigned to that Pre-Platted Parcel based on the maximum total number of Platted Units assigned by the Developer to that Pre-Platted Parcel. The owner of that Pre-Platted Parcel will be responsible for the total assessments applicable to the Pre-Platted Parcel, regardless of the total number of Platted Units ultimately platted. These total Assessments are fixed to the Pre-Platted Parcel at the time of the sale. If the Pre-Platted Parcel is subsequently sub-divided into smaller parcels, the total assessments initially allocated to the Pre-Platted Parcel will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per acre until platting). If such property is sold to a unit of local government, any debt assigned to such property must be satisfied prior to such transfer by way of a True-Up Payment (as defined below).

The Preliminary Assessment Roll is located on page A-5.

VII. PREPAYMENT AND TRUE UP OF ASSESSMENTS

The Assessments encumbering a parcel may be prepaid in full or in part at any time, without penalty, together with interest at the rate on the Bonds to the Interest Payment Date (as defined in the Indenture) that is more than forty-five (45) days next succeeding the date of prepayment. Notwithstanding the preceding provisions, the District does not waive the right to assess penalties which would otherwise be permissible if the parcel being prepaid is subject to an assessment delinquency.

Because this methodology assigns defined, fixed assessments to Platted Units, the District's assessment program is predicated on the development of lots in the manner described in Table 1. However, if a change in development results in a net decrease in the overall principal amount of assessments able to be assigned to the lands described in Table 1, then a true-up, or principal reduction payment will be required to cure the deficiency ("True Up Payment"). The District shall perform a review of the development plan for true-up calculation purposes at each time any plat/site plan is presented to the District. For further detail on the true-up process, please refer to the District Administration Agreement. Similarly, if a reconfiguration of lands or redemption of outstanding Bonds would result in the collection of substantial excess assessment revenue in the aggregate, then the District may undertake a pro rata reduction of assessments for all assessed properties.

For further detail on the true-up process, please refer to the District Administration Agreement and applicable assessment resolution(s).

VIII. ADDITIONAL STIPULATIONS

Certain financing, development, and engineering data was provided by the District Underwriter, District Engineer and the Developer. The allocation methodology described herein was based on information provided by those professionals. Rizzetta & Company makes no representations regarding said information transactions beyond restatement of the factual information necessary for compilation of this report. For additional information on the Bond structure and related items, please refer to the Preliminary Official Statement associated with this transaction.

Rizzetta & Company, Inc., does not represent the District as a Municipal Advisor or Securities Broker nor is Rizzetta & Company, Inc., registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, Rizzetta & Company, Inc., does not provide the District with financial advisory services or offer investment advice in any form.
